HOSTETTER'S
CELEBRATED
STOMACH
BITTERS.

A PURE AND POWERFUL TONIC.
 Corrective and alternative of wonderful efficacy in disease of the Stomach, Liver and Bowels; cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either sex, arising from bodily weakness, whether inherent in the system or produced by special causes.
 Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant, but it is a combination of the extracts of rare, balsamic herbs and plants with the purest and mildest of all diffusive stimulants.
 It is well to be forearmed against disease, and so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.
 In districts infested with Fever and Ague, it has been found infallible as a preventative and irremediable, as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being pined with quinine for months in vain, until fairly saturated with that dangerous alkalioid, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.
 The system is rapidly invigorated and the appetite restored by this agreeable tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs. Persons of feeble habit, liable to nervous attacks, loss of spirits and fits of languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.
 The agency of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.
 Last, but not least, it is *The Only Safe Stimulant*, being manufactured from sound and innocuous materials, and entirely free from the acid elements which are contained in the ordinary tonics and stomachics of the day.
 No family medicine has been so universally, and it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.
 Prepared by **HOSTETTER & SMITH,** Pittsburg, Pa.

HELMHOLD'S Genuine Preparations.
COMPOUND FLUID EXTRACT BUCHU,
 POSITIVE AND SPECIFIC REMEDY
 For diseases of the Bladder, Kidneys, Gravel, and Dropsical Swellings.
 This Medicine increases the power of Digestion, and excites the Absorbents into healthy action, by which the Watery or Catarrhal depositions, and all unnatural enlargements are reduced to their natural size, and eliminated.
HELMHOLD'S EXTRACT BUCHU.
 For weakness arising from excesses, habits of dissipation, early indiscretion of abuse, attended with the following symptoms:— Indolence, languor, loss of Power, Difficulty of breathing, Trembling, Weak Nerves, Horrid Discharge, Dimness of Vision, Pain in the Back, Universal lassitude of the muscular system, Flushing of the face, Hot Humors, Eruptions on the Face, Dryness of the skin, Pained Countenance.
 These symptoms, if allowed to go on, which this medicine invariably removes, soon follows the loss of the body, Epileptic Fits, and in one of which the patient may expire. Who can say that they are not frequently followed by the "Direful Diseases,"
"Insanity and Consumption."
 Many a man, the cause of their suffering, but none will confess the records of the Insane Asylums.
 Melancholy deaths by Consumption bear ample witness to the truth of the assertion.
 The Constitution once effected with Organic weakness requires a long and arduous course to strengthen and invigorate the system, and **HELMHOLD'S EXTRACT BUCHU** invariably does. A trial will convince the most skeptical.
HELMHOLD'S EXTRACT BUCHU
 In many affections peculiar to females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness or suppression of customary evacuations, Ulcerated or Scirrhus state of the Uterus, Leucorrhoea or Whites, Sterility, Impediment, or any other disease of the sex, whether arising from indiscretion, excess, or dissipation, or in the decline or change of life. It causes a frequent desire and gives strength to urinate, thereby removing obstructions, preventing avaricious Strictures of the Uterus, allaying pain and inflammation, so frequent in the class of diseases, and expelling all poisonous, diseased and wormy matter.
 Thousands upon thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poisonous" has, by the use of "powerful astringents," been dried up in the system, to break out in an aggravated form, and perhaps after Marriages.
 Use **Helmhold's Extract Buchu** for all affections and diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating and no matter of how long standing.
 Diseases of these Organs requires the aid of a Diuretic, **Helmhold's Extract Buchu** is the great Diuretic, and is certain to have the desired effect in all Diseases for which it is recommended.
 Evidence of the most reliable and responsible character will accompany the medicine. PRICE \$1.00 PER BOTTLE, or SIX for \$5.00. Delivered to any Address, securely packed, free of observation.

FRENCH
Periodical Drops

THE GREAT FEMALE REGULATOR.
IS THE ONLY KNOWN
REMEDY
THAT WILL SUCCESSFULLY AND
 INVARIABLY restore and regulate the female system, removing all irregularities, and producing health, vigor and strength.
LYON'S
PERIODICAL DROPS
 Are a fluid preparation, the only one of the kind ever discovered in this country, and acts directly on the parts affected, whilst pills and powders can only reach them as they work through sympathy, but not at all direct and positive.
 Are you suffering from a constant anxiety for the regular return of nature's prescribed laws?
 Give yourself no uneasiness, for Lyon's Periodical Drops, if taken a day or two before the expected period, will positively and invariably regulate its coming, as sure as effect follows cause, as sure as daylight follows darkness.
 Are you sick, enfeebled by disease, or unable to bear the labor and danger of increased darkness?
LYON'S
PERIODICAL DROPS
 Come to you as a blessing, for is not prevention better than cure?
 If regularly taken, it is a certain preventive, and will save you much peril and many hours of suffering.
 Have you been afflicted for many years with complaints incident to the sex, that have baffled the skill of physicians, and are hurrying you on to an early grave?
LYON'S
PERIODICAL DROPS
 Are the most reliable regulator ever known, and cure, like magic, all those irregularities that have defied the doctor's skill.
 Will you waste away with suffering from Leucorrhoea, Protrusion, Dysmenorrhoea, and a thousand other difficulties, all summed up under the name of suppressed and obstructed nature, when an investment of one dollar in
LYON'S
PERIODICAL DROPS
 will surely save you.
 Do not use the Drops when forbidden in the directions, for although a positive cure, and harmless at all other times, they are so powerful and finely calculated to adjust and govern the functions of the sexual organism, that, if taken at improper times, they would produce results contrary to nature, against which all, particularly those who would reproduce, should carefully guard.
LYON'S
PERIODICAL DROPS
 Cannot harm the most delicate constitution at any time; yet the proprietors wish to guard against its misuse, hoping that a thousand bottles will be used for a good purpose where one is used for an illegitimate one.
LYON'S
PERIODICAL DROPS
 the never-failing Female Regulator, is for sale by every Druggist, in both city and country, and do not, if you value your health and wish for a reliable medicine, buy any other. Take no other, but if the Druggist to whom you apply has not got it, make him send and get it for you.

REFRIGERATORS.
 The only method for preserving by means of Ice, free from the influence of damp air.
WILSON'S
 Patent Air Circulating Refrigerators.
 It is an acknowledged fact that articles of food placed in a sufficiently cold atmosphere, free from moisture and damp air, will be factually preserved for indefinite periods during the warmest weather. These Refrigerators are the only ones manufactured that can accomplish that object. No air from the ice is admitted to the preserving chamber, but a dry cold atmosphere is created in it, by circulating cold air around and outside of it.
 Meats, Fish, Milk, Fruits, &c., are preserved in a fresh and natural state for as long as may be required, with a consumption of one third less ice than any other Refrigerator made. They are undoubtedly the best ever introduced.
 For Farmers and Families residing in cities, villages, or the country, they are invaluable.
 Special attention is called to our **DAIRY REFRIGERATORS,** made to order expressly for this purpose. Where they are in use they save many times the cost of one season.
 Send for a Circular. Orders by mail will receive prompt attention.

U. S. 10-40 BONDS.
 These Bonds are issued under the Act of Congress of March 30th, 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION or of any under any state or municipal authority. Subscriptions to these Bonds are received in United States notes or notes of National Banks. They are TO BE REDEEMED IN GOLD, at the pleasure of the Government, at any period not less than ten months nor more than forty years from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID IN COIN, on Bonds not over one hundred dollars annually and on all other Bonds semi-annually. The interest is payable on the first days of March and September in each year.
 Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U. S. Treasury, and can be transferred only on the owner's order. Coupon Bonds are payable to bearer, and are more convenient for commercial uses.
 Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accrued interest in coin—or in United States notes, or the notes of National Banks, adding fifty per cent. for premium—or receive their drawing interest from the date of subscription and deposit. As these Bonds are
Exempt from Municipal or State Taxation,
 their value is increased from one to three per cent. per annum, according to the rate of tax levied in various parts of the country.
 At the present rate of premium on gold they pay
Over Eight Per Cent Interest
 in currency, and are of equal convenience as a permanent or temporary investment.
 It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the lender's ability to private parties or stock companies or separate communities only is pledged for payment, while for the debts of the United States the whole property of the country is held to secure the payment of both principal and interest in coin.
 These bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.
 It may be useful to state in this connection that the total Debted Debt of the United States on which interest is payable in gold, on the 30th day of March, 1864, was \$708,965,000. The interest on the debt for the current fiscal year will be \$45,937,126, while the customs revenue in gold for the current fiscal year, ending June 30th, 1864, has been so far at the rate of over \$100,000,000 per annum.
 It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of the gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to \$150,000,000 per annum.
 Instructions to the National Banks acting as loan agents were not issued from the United States Treasury until March 25, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.
 Subscriptions will be received by the First National Bank of Philadelphia, Pa. Second National Bank of Philadelphia, Pa. Third National Bank of Philadelphia, Pa.
 And by all National Banks
 which are depositaries of Public money, and all RESPECTABLE BANKS & BANKERS throughout the country, (acting as agents of the National Depository Banks,) will furnish further information on application, and AFFORD EVERY FACILITY TO SUBSCRIBERS.
