There are many preparations soid under the name of Bitters, put up in quart bottles, compounded of the cheapest Whiskey or common Rum, costing from 20 to 40 cents per gallon, he taste disguised by Anise or Coriander seed.

This class of Bitters has caused and will conjunct to cause es long as they can be said. This class of Bitters has caused and will coninue to cause, as long as they can be sold,
undreds to die the death of a drunkard. By
their use the system is kept continually under
the influence of alcoholic stimulants of the
worst kind, the desire for liquor is created and
kept up, and the result is all the horrors attendant upon a drunkard's life and death. Beware of them.

Get one bottle Hoofland's German Bitters and mix with three quarts of good Whiskey or Brandy, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous liquor bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of liquor and at a much less price then these inferior preparations will cost you.

From Rev. J. Newton Brown, D. D., Eddies.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, through distrust their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the bene-

hope that he may thus contribute to the benefit of others.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson because I was prejudiced against them for a number of years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Rob't Shoemaker, esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost dispaired of regaining. I therefore thank God and my friend for directing me to the use of them.
