

The Local Mariettian.

MARIETTA CAR HOUS. The several passenger trains will leave the "Upper-Station Depot" as follows: Morning train, East, at 18 minutes after 8; Mail train, East, at 12:03; Harrisburg Accommodation train, East, at 17 minutes after 5 in the evening; the same train West, at 39 minutes after 6, in the evening. Trains leave Columbia for Reading and all intermediate points, every morning at 8:40 and every evening at 6 o'clock, and returning arrive at Columbia at 7:20 in the morning and at 4 o'clock in the afternoon.

SATURDAY, NOVEMBER 5, 1864.

OUR FIRST PAGE: We present to the readers of THE MARIETTIAN, this week, several lengthy extracts from a Sermon delivered in Plymouth Church, Brooklyn, on Sunday evening, October 9th, 1864, by that deservedly popular divine, Rev. Henry Ward Beecher, and commend it to the careful perusal of every one, who honestly desires to see our national troubles ended by a permanent peace. Let the reader lay aside all party predilections and read this sermon with the purpose of dispassionately weighing, in his conscience, the arguments it adduces in favor of removing the cause in ending the rebellion. We have not a doubt that all who have not closed up every avenue of reason from their souls, will shrink with abhorrence from associating with the arch traitors of the North, who, under the guise of that sadly abused term, Democracy, are seeking to rend in fragments that government to which they are indebted for every civil right that they enjoy. No man who loves his God or Country, can, in the light of the truthful utterances of this sermon, conscientiously cast his ballot for the nominees of Treason and Rebellion.

Our boys—youths from six to sixteen—started out a few days since and obtained a fine hickory pole—seventy-five feet long—from the farm of Mr. Shultz, a strong Union man, proprietor of the Major Haines farm, adjoining this borough, and raised it on Saturday afternoon last. Just as the pole was being raised, the Mount Joy delegation, with their band, was passing through town to attend the Maytown Union demonstration, halted and gave the boys a lift. Speeches were made by Col. Amweg and Jessie Landis, Esq., who were also on their way to Maytown. The whole thing passed off finely and now the stars and stripes float defiantly from on high.

At the quarterly election of I. O. of Good Templars, on Wednesday evening last, the following officers were elected:

A. Ramler, W. C. T.
Mary Wormley, W. V. T.
Theo. Girard, W. S.
George Wormley, W. T.
John Carroll, W. I. G.
James Lindsay, W. O. G.
Susan McMichael, W. A. S.
Amanda Carroll, W. F. S.
J. Clayton Steacy, W. M.
Hattie O'Bryan, W. D. M.
George Stibgen, R. H. S.
John W. Peters, L. H. S.
Kate Walter, W. C.
John Peck, W. P. C. T.
C. C. P. Grosh, L. D.

There was a large turnout of the friends of the Union, at Maytown, on Saturday evening last. Andrew Armstrong was called to the chair. A band from Mount Joy accompanied that delegation, and in passing through this borough halted at a boy's pole-raising, near the Cross Keys Hotel, and discoursed several patriotic strains. A large delegation from the furnaces started in the evening and at Market square quite a crowd of our citizens joined the throng. Jessie Landis, Esq., and Col. Wm. S. Amweg were the speakers.

We received a letter a few days since from a Mariettian travelling in Illinois, in which he says he found Nelson Malony, formerly a Mariettian, postmaster in a one horse town called Lowpoint, and that Nels is a violent copperhead. It does appear very singular to us that the administration would tolerate a copperhead to hold office under it. We do hope some loyal man in that region will be substituted for Nels, and that too, very soon.

Let every loyal voter be on the election ground, on Tuesday next, at an early hour—and vote early—and, then see that his loyal neighbor is cared for, and all will be well. Leave no stone unturned to achieve a glorious and signal victory over the enemies of our government. Let us see how much better Marietta can do on Tuesday. She must do better. Patriots, see to it.

Elections will take place on next Monday, for directors and officers of the following turnpike road companies: the Marietta and Lancaster; the Marietta and Mount Joy; and the Marietta and Maytown. See advertisements in next column.

We would call the attention of our readers to the advertisement of James B. Clark. He will sell the wood of fifteen or sixteen acres. We are told the timber stands quite thick and the present price of coal must make wood leave quite a profitable object.

Special services in the M. E. church to-morrow (Sabbath) morning. The annual Bible Missionary sermon at 10 o'clock by Rev. J. Gregg, and at 7 o'clock in the evening Rev. Mr. Clawges will preach from Proverbs 22 and 26, "Train up a child in the way he should go; and when he is old he will not depart from it."

Dr. Worrall and Mrs. Worrall, the celebrated and accomplished vocalists, are forming a class in the M. E. church, where gentlemen and ladies are invited to attend, on Friday evening, at half-past seven o'clock, to learn the beautiful art of singing. Terms very moderate. Come and join our singing school.

Prof. Southworth has opened his second course of instruction in penmanship, in the secondary school room of the Town Hall. The Professor appears to give entire satisfaction to his class—many of whom made fine progress, and in point of numbers, his school has been a complete success.

The meetings of the Patriotic Circle, will, during the winter, be as heretofore, at the residence of the members, on Friday evenings. A box of Hospital stores was sent by this unprecedented but patriotic band, on the 29th ultimo, to the United States Christian Commission.

Our usual variety is very much curtailed in consequence of the length of Mr. Beecher's sermon and a crowd of advertisements. In another week the election will be over and the certainty of the re-election of Mr. Lincoln manifest, when we will be enabled to return to our routine of news, spice and local intelligence.

Read the advertisement of Shultz & Bro., Lancaster. This is one of the most extensive firms west of Philadelphia. There is no necessity for going to Philadelphia or elsewhere for any thing in their line. Furs of every description on hand. Call and see their assortment and prices before going elsewhere.

The Susquehanna is again high—in good running order. A number of board and timber rafts and Lewisburg boats passed down, which has made things look a little spring like for a few days. The river is falling, however, very fast, and in a few days all will be quiet again. A few rafts are here now.

Capt. Charles R. Grosh's company of "Hundred Days Men," arrived at Harrisburg on Wednesday night. Several left the train at York and took "Walker's line," for Marietta, arriving here at midnight. The Union League has made arrangements to give them an oration on their return home.

One more grand rally and the day is ours! A final and death blow to domestic traitors. A mass meeting will be held in this place on Monday afternoon and evening. Speeches by Hon. Wm. A. Cook, of Washington City and Professor Dunbar, of Massachusetts.

A new railroad time table went into effect on Monday last. A train now passes through this borough at 8:18 in the morning for the East, and returns at 12:03; evening train East at 5:17, and returns at 6:33.

We observe by the Philadelphia Inquirer of a few days since, that Mrs. Sarah Hoines, widow of the late Major Frederick Haines, formerly of this borough, died in that city, a few days since.

Several advertisements intended for this week's paper have been unavoidably crowded out.

Daniel Dougherty will speak in Lancaster on Monday evening next.

U. S. 7-30 LOAN.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15th, 1864 with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent. which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified, to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special Advantages of this Loan.

It is a National Savings Bank, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collaterals for discounts.

Convertible into a Six per cent. 5-20 Gold Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about 3 per cent. per annum, for the current rate for 5-20 Bonds is not less than 9 per cent. premium, and before the war the premium on 6 per cent. U. S. Stocks was over 20 per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum. Its exemption

From State or Municipal Taxation.
But aside from all the advantages we have enumerated, a special Act of Congress exempts all Bonds and Treasury Notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people.

Duplicate certificates will be issued for all deposits. The party depositing must endorse upon the original certificate the denomination of notes required, and whether they are to be issued in blank or payable to order. When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury Department.

Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositories, and by the

First National Bank of Marietta, and by all National Banks which are depositories of public money, and all respectable **BANKS AND BANKERS** throughout the country will give further information and afford every facility to subscribers.
