A PURE AND POWERFUL TONIC, Corrective and alternative of wonderful efficain disease of the Stomach, Liver and Bow ey in orsease of the Stomach, inter and box-els; cures Dyspesia, Liver Complaint, Head-ache, General Debility, Nervousness, Deplest ston of Spirits, Constipation, Colic, Intermitten-Fevers, Cramps and Spasms, and all complaints of either sex, arising from bodily weakness whether inherent in the system or produced by specific leguest

by special causes. Nothing that is not wholesome, genial and restorative in its nature enters into the compo-sition of Hostetter's Stomach Bitters. This BUIGN OF FIGSTETER'S STOMACA BILLERS. This popular preparation contains no mineral of any kind, no deadly butanical element; no fi-ery excitant, but it is a combination of the ex-tracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimu-tate. lants.

It is well to be forearmed against diseaso and so far as the human system can be protec-ted by human means against maladies en-gendered by an unwholesome atmosphere, im-pure water and other external causes,

# HOSTETTER'S BITTERS

may be relied on as a safeguaid. In districts infested with *Fever and Ague*, it has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who ne-glect ro avail themselves of its protective qual-ties in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied wi th quinine for months in vain, until fairly satu rated with that dangerous alkaloid, are not unfrequently restored to health within a few daysby the use

of Hostetter's Bitters. The weak stomach is rapidly invigorated The weak stomach is rapidly invigorated and the appetite restored by this agreeable to-nic, and hence it works wonders in cases of *Dyspepsia* and in less confirmed forms of *Indi-*gestion. Acting as a gentle and painless appe-rient, as well as upon the liver, it also invari-ably relieves the *Constitution* superinduced by irreguiar action of the digestive and secretive organs. Persons of feeble habit, liable to ner-wonsisticates lowness of envirts and fits of hapyous attacks, lowness of spirits and fits of lan-gour, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The sgony of Bilious Colic is immediately assusged by a angle dose of the stimulant, and by occasionally resorting to it, the return of the

complaint may be prevented. Last, but not least; its The Only Safe Stim-ulant, being manufactured from sound and innoccuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and, it may be truly added, descruedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS. Prepared by HOSTETTER & SMITH, Dittabure. Da.
