There are many preparations soid under the name of Bitters, put up in quart bottles, compounded of the cheapest Whiskey or common Rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander seed.

This class of Bitters has caused and will contract the course as long as they can be sold.

This class of Bitters has caused and will con-inue to cause, as long as they can be sold, aundreds to die the death of a drunkard. By their use the system is kept continually under the influence of alcoholic stimu ants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors at-tendant upon a drunkard's life and death. Be-ware of them.

For those who desire and will have a liquor For those who desire and will have a liquor bifters, we publish the following receipt:

Get one bottle Hoofland's German Bitters and Get one bottle Hoofland's German Bilters and mix with three quarts of good Whiskey or Brandy, and the result will be a preparation that will far excel in medicinal virtues and time excellence any of the numerous liquor bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of liquor and at a much less price then these inferior preparations will cost you. DELICATE CHILDREN.

*FEYER AND AGUE.—The chills will increturn if these Bitters are used. No personal a fever and ague district should be without them. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. Although not Cisposed to favor or recommend Patent Medicines in general, through distrast of their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have

regeived from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to Hoosand's German Bitters, prepared by Dr. C. M. Jackson because I was prejudiced against them for a number of years, under the impression that they were chiefly an alcoholic mixture. I am they were chiefly and they were the chiefly and they indebted to my friend Rob't Shoemaker, esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the be-ginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not feit for aix months before, and had almost dispaired of regaining. I therefore thank God and my friend for directing me to the use of them.

HOSTETTER'S BITTERS.

A PURE AND POWERFUL TONIC, Corrective and alternative of wonderful effica cy in disease of the Stomach, Liver and Bowels; cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depiession of Spirits, Constipation, Colic, Intermitten Fevers, Cramps and Spasms, and all complaints of either sex, arising from bodily weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. popular preparation contains no mineral of any kind, no deadly botanical element; no fi-ery excitant, but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimu-

It is well to be forearmed against diseaso and so far as the human system can be protect ted by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes,

may be relied on as a safeguard. In districts infested with Fever and Ague, it has been found infallible as a preventative and irredistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who ne-glect ro avail themselves of its protective qual-tics in advance, are cured by a very birst course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not unfrequently estored to health within a few daysby the use

of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to neryous attacks, lowness of spirits and fits of lan-gour, find prompt and permanent relief from the Bitters. The testimony on this point is

most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

Last, but not least, it is The Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the

acid elements present more or less in all the ordinary tonics and stomachics of the day. No family medicine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community as Hostetter's Bittens.

Insane Asylums.
