PARTICULAR NOTICE. There are many preparations soid under the name of Bitters, put up in quart bottles, compounded of the cheapest Whiskey or common Rum, costing from 20 to 40 cents per gallon, he taste disguised by Anise or Coriander seed. This class of Bitters has caused and will contain the contained the contai inue to cause, as long as they can be sold, aundreds to die the death of a drunkard. By their use the system is kept continually under the influence of alcoholic stimulants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors at-tendant upon a drunkard's life and death. Beware of them.

For those who desire and will have a liquor

bitters, we publish the following receipt: Get one bottle Hoofland's German Bitters and mix with three quarts of good Whiskey or Brandy, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous liquor bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of liquor and at a much less price then these inferior preparations will cost you.

DELICATE CHILDREN.

Those suffering from marasmus, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have most surprising effect.

DEBILITY,
Resulting from Fevers of any kind—these bitters will renew your strength in a short time.
FEVER AND AGUE.—The chills will not return if these Bitters are used. No person in a
fever and ague district should be without them. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrast of their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to Hoofland's because I was prejudiced against them for a because I was prejudiced against them for a number of years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Rob't Shoemaker, esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the be-ginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost dispaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. Newton Brown.

HOSTETTER'S BITTERS.

A PURE AND POWERFUL TONIC, Corrective and alternative of wonderful efficacy in disease of the Stomach, Liver and Bow-els; cures Dyspepsia, Liver Complaint, Head-ache, General Debility, Nervousness, Deplest sion of Spirits, Constipation, Colic, Intermitten-Fevers, Cramps and Spasms, and all complaints of either sex, arising from bodily weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the compo-sition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fi-ery excitant, but it is a combination of the exracts of rare balsamic herbs and plauts with the purest and mildest of all diffusive stimu-

It is well to be forearmed against diseaso. and so far as the human system can be protec-ted by human means against maladies en-gendered by an unwholesome atmosphere, impure water and other external causes. HOSTETTER'S BITTERS

may be relied on as a safeguard.

In districts infested with Fener and Ague, it has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect ro avail themselves of its protective qualities in advance, and by a very think glect to avail themselves of its protective qualtices in advance, are cured by a very blief
course of this marvelous medicine. Fever and
Ague patients, after being plied with quinine
for months in vain, until fairly satu rated with
that dangelous alkaloid, are not unfrequently
estored to health within a few daysby the use
of Hystetter's Bitters.

The week storegeby to recidit invigenced

of Hestetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to nervous attacks, lowness of spirits and fits of langour, find prompt and nermanent relief from gour, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

Last, but not least, it is The Only Safe Stim-ulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.
