I have analysed "L. Lyons' Pure Catawba
Brandy," with reference to its composition and Brandy," with reference to its composition and character, being the same as that produced in past years. A sample taken from ten casks afforded the same results with regard to purity; a slightly increased amount of the principle on which its flavor depends was determined by comparison with former samples. The indications of analysis show that this Brandy is produced by the same process as most of the imported Brandy.
