PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest Whiskey or common Rum, costing from 20 to 40 cents per gallon, he taste disguised by Anise or Coriander seed. This class of Bitters has caused and will continue to the costs as lower as they can be sold this class of litters has caused and win con-inue to cause, as long as they can be sold, hundreds to die the death of a drunkard. By their use the system is kept continually under the influence of alcoholic stimulants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors at-tendant upon a drunkard's life and death. Be-

ware of them.

For those who desire and will have a liquor bitters, we publish the following receipt:

You will have all the virtues of Hoofland's Bitters in connection with a good article of liquor and at a much less price then those inferior and at a much less price then these inferior preparations will cost you.

I am indebted to my friend Rob't Shoemaker, esq., for the removal of this prejudice by proper testa, and for encouragement to try them, when tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost dispaired of regaining. I therefore thank God and my friend for directing me to the use of them.

In the lists published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from de-bility. Every case of that kind can be readi-y cured by Hoofland's German Bitters. We have no hesitation in stating that, if these bitters are freely used among our soldiers, hund-reds of lives might be saved that otherwise

Many are aware of the cause of their suffer

Melancholy deaths by Consumption bear ample witness to the truth of the assertion.

The Constitution once effected with Organic weakness requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU in variably does. A trial will convince the

most skeptical. FEMALES—FEMALES—FEMALES. In many affections peculiar to females the Extract Buchu is uneaqualed by any other remedy, as in Chlorosis or Retention, Irregu-larity, Painfulness or suppression of customary evacuations, Ulcerated or Scirrhous state of the Uterus, Leuchorrhoes or Whites, Ster-rility, and for all complaints incident to the sex, whether arising from indiscretion, habits of dissipation, or in the decline or change of life. by special causes.

Nothing that is not wholesome, genial and I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson because I was prejudiced against them for a number of years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Rob't Shoemaker, esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when

It is well to be forearmed against diseaso, and so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS

may be relied on as a safeguard. In districts infested with Fever and Ague, i has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under apprehension of an attack resort to it under apprehension of an attack, escape the scourge; and thousands who neglect ro avail themselves of its protective qualties in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly satu rated with that dangerous alkaloid, are not unfrequently estored to health within a few daysby the use of Hostetter's Bitters.

of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Individuals. Dyspensia and in less confirmed forms of Indi-gestion. Acting as a gentle and painless apper-rient, as well as upon the liver, it also invari-ably relieves the Constipation superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to nerorgans. Peisons of feeble habit, liable to ner-yous attacks, lowness of spirits and fits of lan-gour, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

Complaint may be prevenued.

Last, but not least, it is The Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.
