PARTICULAR NOTICE. There are many preparations soid under the name of Bitters, put up in quart bottles, compounded of the cheapest Whiskey or common Runs, costing from 20 to 40 cents per gallon, he taste disguised by Anise or Coriander seed.

This class of Bitters has caused and will con-inue to cause, as long as they can be sold, nundreds to die the death of a drunkard. By their use the system is kept continually under their duence of alcoholic stimulants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors at-tendant upon a drunkard's life and death. Be-ware of them.

For those who desire and will have a liquor litters are publish the following receipt:

that will far excel in medicinal virtues and
true excellence any of the numerous liquor
bitters in the market, and will cost much less. You will have all the virtues of Hooftand's Bit-ters in connection with a good article of liquor and at a much less price then these inferior preparations will cost you.

DEBILITY,
Resulting from Fevers of any kind—these bit-

FEVER AND AGUE.—The chills will not return if these Bitters are used. No person in a fever and ague district should be without them. From Rev. J. Newton Brown, D. D., Editor

of the Encyclopedia of Religious Knowledge.
Although not disposed to favor or recommend
Patent Medicines in general, through distrast
of their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the bene-

It of others.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson because I was prejudiced against them for a number of years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Rob't Shoemaker, esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the beuse of three bottles of these briters, at the beginning of the present year, was followed, by evident relief, and restoration to a degree of hodily and mental vigor which. I had not felt for six months before, and had almost dispaired of regaining. I therefore thank God and my friend for directing me to the use of them.

We call the attention of all baving relations or friends in the army to the fact that "Hoof-land's German Bitters" will cure nme-tenths of the diseases induced by privation and ex-posures incident to camp life. In the lists published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from de-bility. Every case of that kind can be readi-y cured by Hoofland's German Bitters. Wei have no hesitation in stating that, if these bit-ters are freely used among our soldiers, hund-reds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use: of these Bitters, sent to them by their friends. Beware of counterfeits! See that the signature of "C. M. Jackson," is on the wrapper of each bottle.
