PARTICULAR NOTICE. There are many preparations soid under the name of Bitters, put up in quart bottles, compounded of the cheapest Whiskey or common Rum, costing from 20 to 40 cents per gallon he taste disguised by Anise or Curiander seed This class of Bitters has caused and will coninue to cause, as long as they can be sold, nundreds to die the death of a drunkard. By their use the system is kept continually under the influence of alcoholic stimulants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death. Be-

ware of them.

For those who desire and will have a liquor For those who desire and will have a liquor bitters, we publish the following receipt:
Get one bottle Hoofland's German Bitters and mix with three quarts of good Whiskey or Brandy, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous liquor bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters with the second state of light and the second secon ters in connection with a good article of liquor and at a much less price then these inferior preparations will cost you.

DELICATE CHILDREN.

Those suffering from marasmus, wasting away, with scarcely any flesh on their bones are cured in a very short time; one bottle in such cases, will have most surprising effect. DEBILITY,

Resulting from Fevers of any kind-these bit ters will renew your strength in a short time. FEVER AND AGUE.—The chills will not re turn if these Bitters are used. No person in a fever and ague district should be without them. From Rev. J. Newton Brown, D. D., Editor

of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no suffici int reason why a man may not tes-tify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the bene-

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson because I was prejudised against them for a number of years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Rob't Shoemaker, esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the beginning of the present year, was followed by ginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost dispaired of regaining. I therefore thank God and my friend for directing me to the use of them.
