PARTICULAR NOTICE.
There are many preparations soid under the name of Bitters, put up in quart bottles, compounded of the cheapest Whiskey or common Rum, costing from 20 to 40 cents per gallon, he taste disguised by Anise or Coriander seed. This class of Bitters has caused and will con-inue to cause, as long as they can be sold, aundreds to die the death of a drunkard. By

their use the system is kept continually under the influence of alcoholic stimulants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors at-tendant upon a drunkard's life and death. Beware of them.

For those who desire and will have a liquor

bitters, we publish the following receipt:

Get one bottle Hoofland's German Bitters and tiet one bottle Hooftand's German Bitters and mix with three quarts of good Whiskey or Brandy, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous liquor bitters in the market, and will cost much less. You will have all the virtues of Hooftand's Bitters in connection with a good article of liquor and at a much less price then these inferior preparations will cost you. DELICATE CHILDREN.

Those suffering from marasmus, wasting away, with scarcely any flesh on their bones. are cured in a very short time; one bottle in such cases, will have most surprising effect. DEBILITY,

Resulting from Fevers of any kind-these bitters will renew your strength in a short time. FEVER AND AGUE.—The chills will not return if these Bitters are used. No person in a fever and ague district should be without them. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson because I was prejudised against them for a number of years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Rob't Shoemaker, esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost dispaired of regaming. I therefore thank God and my friend for directing me to the use of their. I do this more readily in regard to Hoofland's ed of regaining. ATTENTION, SOLDIERS. AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or friends in the army to the fact that "Hoof-land's German Bitters" will cure nine-tenths of the diseases induced by privation and ex-posures incident to camp life. In the lists published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from de-bility. Every case of that kind can be readicured by Hoofland's German Bitters. We y cured by montanua deniman briters. We have no hesitation in stating that, if these bitters are freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.

Beware of counterfeits! See that the signature of "C. M. Jackson," is on the wrapper

of each bottle.

and so far as the human system can be protec-ted by human means against maladies en-gendered by an unwholesome atmosphere, impure water and other external causes HOSTETTER'S BITTERS

may be relied on as a safeguard. In districts infested with Fever and Ague, has been found infallible as a preventative and irremistible as a remedy, and thousands who resort to it under apprehension of an attack escape the scourge; and thousands who ne-glect ro avail themselves of its protective qual-ities in advance, are cured by a very brisf course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not unfrequently sestored to health within a few daysby the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable to-nic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constitution superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to nerorgans. Persons of receipe mann, manne to ner-vous attacks, lowness of spirits and fits of lan-gour, find prompt and permanent relief from the Bitters. The testmony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately

ssuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the

complaint may be prevented.

Last, but not least, it is The Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely fice from the acid elements present more or less in all the ordinary tonics and stomachics of the day. No family medicine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.
