Fever and Ague patients, after being plied with quinine for months in vain, until fairly satu rated with

that dangerous alkaloid, are not unfrequently restored to health within a few daysby the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable to-nic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invari-ably relieves the Constipation superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to ner vous attacks, lowness of spirits and fits of lan-

Last, but not least, it is The Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day No family medicine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.
