That valuable old family paper, the Germantown Telegraph, promises to put on a "new suit" on the 8th proximo. We are glad to see this evidence of success, for to replenish newspaper fixtures at present prices, is unmistakable evidence of success. It is one of the best papers on our exchange list.

JOB PRINTING of every description executed with neatness and dispatch at the office of The Mariettian.

BROWNING'S Excelsior Coffee.

Whilst trying Coffee of all the various brands. Remember "BROWNING'S EXCELSIOR" at the head it stands.

True, it's not like others that are "SOLD EVERYWHERE."

A little stretch, we all do know, good goods will easily bear,

(But a stretch like this—"sold everywhere"—is very apt to tear.)

Now, I can safely say, without any hesitation. There's none like "BROWNING'S EXCELSIOR" in this enlightened nation.

Skilled chemists have not found a Coffee from any store

Possessing the same ingredients as "Browning's Excelsior."

Nor is there any one, in or out of the Coffee trade,

Who knows the articles from which "Browning's Excelsior" is made,

I'm told it's made from barley, rye, wheat, beans, and peas;

Name a thousand other things—but the RIGHT ONE if you please.

But with the Coffee-men I will not hold contention

For the many, many things they say—too numerous to mention.

Whilst they're engaged in running round from store to store

To learn the current wholesale price of "Browning's Excelsior,"

Some who know my Coffee gives perfect satisfaction,

Have formed a plan by which they hope to cause a quick reaction.

The case—"is with a few; no doubt 'twill be more."

To name their Coffee after mine, (BROWNING'S) EXCELSIOR."

Some say their's is the only brand that will stand a ready test.

Now, try a little of them all—see which you like the best.

Three years have passed away since I first sold a store.

Never have I in your paper advertised before; Nor would I now, or ever consent to publish more,

If like some used by "everybody," "sold everywhere," in "every store."

A trade like this I do not wish; the orders I could not fill;

The factory all Jersey's land would take—leave not a foot to till.

My trade is not so very large; still I think I have my share.

But, reader, you may rest assured, 'tis NOT "SOLD EVERYWHERE."

Manufactured and for Sale by the writer, GEORGE L. BROWNING,

No. 20 Market street Camden, New Jersey. This coffee is not composed of poisonous drugs it contains nothing deleterious; many persons use this Coffee that cannot use the pure coffee; it takes but one and a half ounces to make a quart of good strong coffee, that being just one-third of what it takes of Java Coffee, and always less than half the price.

RETAIL DEALERS may purchase it in less quantities than ten gross at my prices from the Wholesale Grocers.

Orders by mail from Wholesale Dealers promptly attended to. [23-3m]
