The Local Mariettian.

MARIETTA CAR Hours. The several passenger trains will leave the "Upper-Station Depot" as follows: Morning train, East, at 10 minutes before 8; Mail train West, 12:03; Harrisburg Accommodation train, East, at 17 West, at 39 minutes after 6, in the evening.

SATURDAY, FEBRUARY 18, 1865.

On Saturday next, (Feb'y 25th) the Printing office of "The Mariettian" will be Removed to Lyndsay's Building, (second story) on Elbow Lane, mid-way between the Post office corner and the old Stackhouse tavern, now the "Eagle Hotel, where, in future, we will be glad to meet our old friends and the public.

The removal of a printing office-taking down and putting up presses, type forms, stands, &c .- is, by no means, a trifling job; the care and time necessary to do it well and correctly being considerable, so much so, that we will have to forego the publication of a paper on the following Saturday (March 4). We will not, therefore, issue a paper on the 4th, but our subscribers shall not be the loosers, thereby, for we shall give fifty-two numbers for the year.

There will be no delay in executing ll kinds of Job Printing.

We herewith lay before our readers the income of most of our citizens, as returned to the Deputy Assessors of our Borough and the neighboring townhips. We have no doubt a smile will ome over the face of almost every ender of the list, from two causes-one for the large amount of some returns-

Whilst trying Coffee of all the various brands. Remember "BROWNING'S EXCELSIOR" —at the head it stands.

True, it's not like others that are "SOLD EVERYWHERE." A little stretch, we all do know, good goods will easily bear,
(But a stretch like this—"sold everywhere")—

is very apt to tear.)

Now, I can salely say, without any hesitation.
There's none like "BROWNING'S EXCEL-SIOR" in this enlightened nation.
Skilled chemists have not found a Coffee from any store

Possessing the same ingredients as "Browning's Excelsior." trade,
Who knows the articles from which "Browning's Excelsior's" made,
I'm told it's made from barley, rye, wheat,

beans, and peas;
Name a thousand other things—but the
RIGHT ONE if you please.
But with the Coffee men I will not hold contention For the many, many things they say—too numerous to mention.

Whilst they're engaged in running round from

To learn the current wholesale price of "Browning's Excelsior,"
Some who know my Coffee gives perfect satisfaction,
Have formed a plan by which they hope to cause a quick reaction.
The case—'tis with a few; no doubt 'twill be

more—
To name their Coffee after mine, (BROWN-ING'S) EXCELSIOR."
Some say their's the only brant that will stand a ready test.
Now, try a little of them all—see which you

like the best.

Three years have passed away since I first sold a store;

Never have I in your paper advertised before;
Nor would I now, or ever consent to publish more,
If like some used by "everybody," "sold
everywhere," in "every store."
A trade like this I do not wish; the orders I

could not fill;
The factory all Jersey's land would take—leave not a foot to till.
My trade is not so very large; still I think I have my share;
But, reader, you may rest assured, 'tis NOT
"SOLD EVERYWHERE."

Manufactured and for Sale by the writer. GEORGE L. BROWNING, No. 20 Market street Camden, New Jersey. This coffee is not composed of poisonous drugs it contains nothing deleterious; many persons use this Coffee that cannot use the pure coffee; it takes but one and a half ounces
