Analysis of the Mass. State Assayer. [1858.] Analysis of the Mass. State Assayer. [1858.]

When evaporated through clean linen it lets no oil or offensive matter. In every respect it is a fure spirituous liquor. The oil which gives to this Brandy its flavor and aroma, is wholly unlike fusil or grain oil. Its odor partakes of both the fruit and oil of grapes. With acids it produces ethers of a high fragrance. The substitution of this Brandy for Cognac Brandy will do away with the manufacture of fictivitius spirits, sold under this name both at home and abroad. Respectfully.

may be relied on as a safeguard.
In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under appreheusion of an attack, escape the scourge; and thousands who neglect ro avail themselves of its protective qualglect to avail themselves of its procedure quarties in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not unfrequently interest booth. estored to health within a few daysby the use

of Hostetter's Bitters. The weak stomach is rapidly invigorated and the appetite restored by this agreeable to-nic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constitution superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to neryous attacks, lowness of spirits and fits of lan-gour, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes. The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

Last, but not least, it is The Only Safe Stimulant, and the complaint may be prevented.
