## SATURDAY, APRIL 15, 1835 .

Our town illumination and celebration in commemoration of the taking On Sunday last, April 9th, HARRIET, wife of of Richmond and the surrender of Lee, which took place on Wednesdayevening last, was fruly a grand affair, notwithstanding the rainy weather. The Mount Joy Band, the members of which are all nembers of our Union League, "did the music," for the occasion. The procesgion was formed at the Union League Hall, under the Marshalship of Lieutenaut Abraham Cassel, late of the 107th P. V. and preceded by the Band, marched through our principal streets-nearly every house in the more thickly built Market street we may mention Dr. Hinkle's, Col. W. H. Eagle's, Mrs. Rebecca Spangler's, J. R. Diffenbach's James Wilson's, but in fact so many were brilliantly lit up that it would be impossible to mention all. At a late hour, it having become known that Col. S. B. Thomas, Deputy Secretary of the Commonwealth, was on a visit to Col. Eagle, the band, followed by quite a large crowd, proceeded to the residence of the latter gentleman and serenaded and loudly called for Col. Thomas, who appeared at the hall door, and in a few and well-timed remarks, entertained his listeners for a short time, after which the gay and highly entertained crowd dispersed, well pleased with Grant, Col. mankind."

This afternoon (Saturday) will he the last opportunity to take any of the Borough Loan, as the tax will soon be levied on the remaining indebtedness of the Borough. We cannot see why property holders in the Borough, with money to lend, do not embrace this opportunity to secure a good and paying investment and thus reduce their taxes. We understand that we were in error in our last in charging a copperhead with peddling funds into the township for investment, whilst so inviting an opportunity offered in town ; we are assured "by one who onght to know," that it was, as our informant tartly said "peddied by a woolly head." The fact is, notwithstanding this correction, that the funds belonged to a very strong copperhead family, and sought an investment where it was not wanted and refused it where it was, fearing, no doubt, hat a general reduction of the Borough tax might follow lending at home. One consolation is that the lenders will have a portion of the increased Borough tax to pay, having considerable town properiy to pay tax on.

The Goods are of fashionable styles and most excellent workmanship, and are sacrifi-ced in this manner to relieve the proprietors from embarrassment occasioned by a distract ing civil war. It should be prominently sta-ted, also, that they are mostly of AMERICAN MANUFACTURE

and therefore greatly superior to the goods imported from abroad and hawked about as Imported from abroad and nawken Boout as the cheapest ever sold. The simple duty on imported goods and the high premium on Gold (all foreign bills are payable in gold,) amount to more than the entire cost of many of the articles offered by us to the public. To facilitate the sale ONLY ONE DOLLAR

will be charged for any article on our list, and this sum the purchaser need not pay until he knows what he is to get! This plan accords with the method recently become so popular for disposing of large stocks of Jeweiry and circler endersting si uilar productions. THE PLAN IS SIMPLE!

THE PLAN IS SIMPLE! The name of each article offered for sale as "Gold Hunting Watch," "Gold Oval-Ban" Bracelet," "Pearl Breastpin and Ear-Drops, "Hold Er amelled Ring," "Silver Plated Cake Basket," &c., is written on a card and en closed in a scaled envelope; these envelopes are then placed in a drawer and well mixed; then as an order is received, with twenty-five cents for return postage and other charges, one of the cards or certificates is taken at random and sent by first mail to the customer, who will see at once what he can get for One Dollar. It he is pleased with his fortune he can forward the money according to directions on the certificate, and secure the prize. If the article awarded should be unsuited to the purcinaser—as for example, a set of Pearl Ear purchaser—as for example, a set of Pearl Ear Drops and Breastpin to a young man who could not wear them, and had no one to give them to—we will send any other article on the eatalogue of equal price which may be preforred. Or if, for any reason, you choose to venture no further, then you can let the mat-ter drop where it is and speed no more. Exmine carefully our Catalogue !
