Therefore, Resolved, That in the death of Abraham Lincoln the nationhas been bereft of a President whose honesty of purpose, goodness of heart, and unswerving fidelity to his country's welfare, has endeared him to his loyal countrymen above all others, since the days of the Immortal Washington.

Resolved, That in the murder of one whose only fault was excessive magnanimity to his deadly enemies, evinces villainy unparalled on the part of the rebel leaders, whom we believe plotted his assassination.

ON THE ONE BOLLAR PLAN. The entire stock of one Gold and Silver Watch Manufactory, Two Immense Jewelry Establishments, One Silver Plating Ware-house, One Gold Pen And Pencil Maker,

TO BE DISPOSED OF WITH DISPATCH WITHOUT REGARD TO COST!

The Goods are of fashionable styles and most excellent workmanship, and are sacrifi-ced in this manner to relieve the proprietors from embarrassment occasioned by a distracting civil war. It should be prominently sta-ted, also, that they are mostly of AMERICAN MANUFACTURE

and therefore greatly superior to the goods imported from abroad and hawked about as the cheapest ever sold. The simple duty on imported goods and the high premium on Gold (all foreign bills are payable in gold,) amount to more than the entire cost of many of the articles offered by us to the public. To facili-

tate the sale
ONLY ONE DOLLAR will be charged for any article on our list, and this sum the purchaser need not pay until he knows what he is to get! This plan accords with the method recently become so popular for dispusing of large stocks of Jewelry and similar and the stocks of the si uilar productions

THE PLAN IS SIMPLE! The name of each article offered for sale as "Gold Hunting Watch," "Gold Oval-Ban' Bracelet," "Pearl Breastpin and Ear-Drops, "Hold Er amelled Ring," "Silver Plated Cake Basket," &c., is written on a card and en closed in a scaled envelope; these envelopes are then placed in a drawer and well mixed; then as an order is received, with twenty-five cents for return postage and other charges, one of the cards or certificates is taken at random and sent by first mail to the customer, who will see at once what he can get for One Dollar. It he is pleased with his fortune he can forward the money according to directions on the certificate and secure the prize. If the on the certificate and secure the prize. If the article awarded should be unsuited to the purchaser—as for example, a set of Pearl Ear Drops and Breastpin to a young man who could not wear them, and had no one to give them to—we will send any other article on the catalogue of equal price which may be pre-ferred. Or if, for any reason, you choose to venture no further, then you can let the mat-ter drop where it is and spend no more. Ex-
