

PUTNAM'S CLOTHES WRINGER.
It is the only reliable self-adjusting wringer.

No WOOD WORK TO SWELL OR SHRINK. No Thumb-screws to get out of order. Warranted with or without Cog-Wheels. It took the First Premium at Fifty-seven State and County Fairs in 1864, and is, without an exception, the best Wringer ever made. Patented in the United States, England, Canada, and Australia. Agents wanted in every town. Energetic agents can make from 3 to 10 Dollars per day.

WHAT EVERYBODY KNOWS, viz:
That iron well galvanized will not rust; That a simple machine is better than a complicated one; That a Wringer should be self-adjusting, durable, and efficient; That Thumb-Screws and Fastenings cause delay and trouble to regulate and keep in order; That wood bearings for the shaft to run in will wear out; That the Putnam Wringer, with or without cog-wheels, will not tear the clothes; That cog-wheel regulators are not essential; That the Putnam Wringer has all the advantages, and not one of the disadvantages above named; That all who have tested it, pronounce it the best Wringer ever made; That it will wring anything from a thread to a bed quilt without alteration; We might fill the paper with testimonials, but insert only a few to convince the skeptical; If such there be; and we say to all, test Putnam's Wringer.

Test it thoroughly with any and all others, and if not entirely satisfactory, return it.

Putnam Manufacturing Co.
GENTLEMEN: I know from practical experience that iron well galvanized with zinc will not oxidize or rust one particle. The Putnam Wringer is as near perfect as possible, and I can cheerfully recommend it to be best in use. Respectfully yours,
Jno. W. WHEELER.
Cleveland, Ohio.

Many years' experience in the galvanizing business enable me to endorse the above statements in all particulars.
Jno. C. LEVY, 100 Beekman St., New York, January, 1864.

We have tested Putnam's Clothes Wringer by practical working, and know that it will do. It is cheap; it is simple; it requires no room, whether at work or at rest; a child can operate it; it does its duty thoroughly; it saves time and it saves wear and tear. We earnestly advise all who have much washing to do, with all intelligent persons who have any, to buy this Wringer. It will pay for itself in a year at most.

REEVES' Original, Genuine and RELIABLE AMBROSIA For the Growth, Beauty and Preservation OF THE HAIR.
[ESTABLISHED 1860.]
Price 75 Cents Per Bottle.

This preparation can exhibit living hair, and its excellence. See Photograph and read certificate of Mrs. William Sutton—hair 5 feet and one inch in length—used Ambrosia about twenty months. ALSO Photograph and certificate of Mrs. L. M. Neil—hair five feet in length—using the Ambrosia 18 months.

Also see large and beautiful photographs, and approved testimonials of

MRS. WALLACE E. MAXWELL.
Her hair is four feet ten inches in length—the result of using Reeves' Ambrosia about two years.

These photographs taken from life, have been awarded to extend the knowledge of the merits of this wonderful discovery. Hundreds have seen these ladies and heard the facts from their own lips.

Mrs. Maxwell's Testimonial.
New-York, December 23, 1862.

Knowing positively that Reeves' Ambrosia produced a beautiful head of hair for Mrs. Lizette Sieber, of Brooklyn, New-York, I was induced, thereby, to use it thoroughly. I needed something for my hair, it being short and thin; had used one half-dozen bottles when I could plainly notice an increase in its length, strength and beauty. An experience of about two years has proved a complete success. My hair is now, by measurement, four feet ten inches in length, reaching nearly to the floor. I have allowed my photograph to proclaim the merits of

REEVES' AMBROSIA TO THE WORLD.

THE PHOENIX PECTORAL;
Or, Compound Syrup of Wild Cherry and Seneca Snake Root,
WILL CURE THE DISEASES OF THE THROAT & LUNGS,
Such as Colds, Coughs, Croup, Asthma, Bronchitis, Catarrh, Sore Throat, Hoarseness, Whooping Cough, &c.

ITS TIMELY USE WILL PREVENT Pulmonary Consumption.

And even where this fearful disease has taken hold it will afford greater relief than any other medicine.

Miss Kate Vanderslice of Pottsville, says: "I was benefited more by using the Phoenix Pectoral than any other medicine I ever used."

Elias Oberholzer, of Lonsville, Chester county, was cured of a cough of many years' standing by using the Phoenix Pectoral.

Joseph Lukens, of Hall street, Phoenixville, certifies that he was cured of a cough of two years' standing, when all other medicines had failed, by the use of the Phoenix Pectoral.

Jacob Powers certifies that he has sold hundreds of bottles of the Phoenix Pectoral, and that all who used it bear testimony of its wonderful effects in curing coughs.

John Royer, editor of the Independent Phoenix having used it, has no hesitation in pronouncing it a complete remedy for cough, hoarseness and irritation in the throat.

The West Chester Jeffersonian says: "We have known Dr. Oberholzer personally a number of years, and it gives us the greater pleasure to recommend his medicine, inasmuch as the public rarely have the benefit of family medicines prepared by a physician of his acquirements and experience."

Dr. Oberholzer is a member of the Alumni of the Medical Department of the University of Pennsylvania, at which institution he graduated in 1854."

The Reading Gazette says: "This cough remedy is made by Dr. L. Oberholzer, of Phoenixville, Pa., and it has acquired an unsurpassed reputation in curing coughs. It is carefully and skillfully prepared from Wild Cherry Bark and Seneca Snake Root."

Dr. Geo. B. Wood, Professor of the Practice of Medicine in the University of Pennsylvania, and one of the authors of the United States Dispensary, says of Seneca Snake Root: "Its action is especially directed to the lungs."

The proprietor of this medicine has so much confidence in its curative powers, from the testimony of hundreds who have used it, that the money will be paid back to any purchaser who is not satisfied with its effects.

It is so pleasant to take that children cry for it.

It costs only TWENTY-FIVE CENTS. It is intended for only one class of diseases, namely, those of the Throat and Lungs.

AGRICULTURAL CHEMICAL COMPANY'S Cheap Fertilizers.

THE FERTILIZERS prepared by the Agricultural Chemical Company, of Pennsylvania, chartered by the legislature of Pennsylvania with a capital of \$250,000, have been proved in practice to be the cheapest, most profitable and best, for the Farmer, Gardener and Fruit grower, of all concentrated manures ever offered in any market. The Company's list embraces the following:

PAULISTE. This Fertilizer is composed of night soil and the fertilizing elements of urine combined, chemically and mechanically with other valuable fertilizing agents and absorbents.

It is reduced to a pulverized condition, ready for immediate use, and without loss of its highly nitrogenous fertilizing properties.

Its universal application to all crops and soils, and its durability and active qualities, are well known to be all that agriculturists can desire. Price \$30 per Ton.

CHEMICAL COMPOST. This Fertilizer is largely composed of animal matter, such as meat, bone, fish, leather, hair and wool, together with chemicals and inorganic fertilizers, which decompose the mass, and retain the nitrogenous elements.

It is a very valuable fertilizer for field crops generally, and especially for potatoes, and garden purposes.

Its excellent qualities, strength and cheapness, have made it very popular with all who have used it. Price, \$40 per Ton.

COMPOSITE FERTILIZER. This highly phosphatic fertilizer, is particularly adapted for the cultivation of Trees, Fruits, Lawns and Flowers. It will promote a very vigorous and healthy growth of wood and fruit, and largely increase the quantity and perfect the maturity of the fruit. For household and household plants and flowers, it will be found an indispensable article to secure their greatest perfection. It will prevent and cure decayed conditions of the peach and grape, and is excellent for grass and lawns.

It is composed of such elements as make it adapted to the growth of all kinds of crops in all kinds of soils.

The formula or method of combining its constituent fertilizing ingredients has received the highest approval of eminent chemists and scientific agriculturists. Price, \$50 per Ton.

PHOSPHATE OF LIME. The Agricultural Chemical Company manufacture a Phosphate of Lime in accordance with a new and valuable formula by which a very superior article is produced, so far as to be afforded at a less price than other manufacturers charge. Practical tests have proved that its value, as a fertilizer, is equal to the best Phosphate of Lime in the market. Price \$35 per Ton.

TERMS CASH. All orders of a Ton, or more, will be delivered at the railroad stations and the wharves of shipment, free of cartage. Cartage will be charged on all orders of six barrels or less. One Dollar per Ton allowance for cartage will be made on all sales delivered at the works of the Company, on Canal Wharf.

BROWNING'S Excelsior Coffee.
Whilst trying Coffee of all the various brands. Remember "BROWNING'S EXCELSIOR"—at the head it stands.

True, it is not like others that are "SOLD EVERYWHERE," but it is a good deal better than a little stretch, we all do know, good good will easily bear. (But a stretch like this—"sold everywhere"—is very apt to tear.)

Now, I can safely say, without any hesitation. There is no one like "BROWNING'S EXCELSIOR" in this enlightened nation. Skilled chemists have not found a Coffee from any store Possessing the same ingredients as "Browning's Excelsior."

Nor is there any one, in or out of the Coffee trade, Who knows the articles from which "Browning's Excelsior" is made, I'm told it's made from barley, rye, wheat, beans, and peas;

Name of those other things—but the RIGHT ONE if you please.

With the Coffee-I men will not hold contention

For the many, many things they say—too numerous to mention.

Whilst these are engaged in running round from store to store

To learn the current wholesale price of "Browning's Excelsior,"

Some who know my Coffee gives perfect satisfaction.

Have formed a plan by which they hope to cause a quick reaction.

The case—"tis with a few; no doubt 'twill be more—"

To name their Coffee after mine, (BROWNING'S) EXCELSIOR."

Some say their's the only brand that will stand a ready test.

Now, try a little of them all—see which you like the best.

Three years have passed away since I first sold "Browning's Excelsior."

Never have I in your paper advertised before; Nor would I now, or ever consent to publish more,

If like some used by "everybody," "sold everywhere" in "every store."

A trait like this I do not wish; the orders I could not fill;

The factory all Jersey's land would take—leave not a foot to till.

My trade is not so very large; still I think I want just one-half the quantity it takes of Java Coffee, and always less than half the price.

RETAIL DEALERS may purchase it in less quantities than ten gross at my prices from the Wholesale Grocers.

Orders by mail from Wholesale Dealers promptly attended to. [28-3m]

Lancaster and Venango Mutual Petroleum Association,
The property of the Lancaster and Venango Mutual Petroleum Association consists of Ninety-One Acres of Land, in fee simple, situated on the eastern bank of Big Sand Creek, and on either side of Stony Run, which flows through the middle of it, in French Creek township, Venango county. It presents a large proportion of boring ground, amounting to at least six or six and a half acres.

Part of the land is covered with fine oak timber, well calculated for the manufacture of coal oil barrels, this alone is of great value in that locality where thousands of barrels are used daily to hold the rich products of surrounding wells.

It is evident also that large deposits of bituminous coal exist in the elevated portions of this tract; they are, however, undeveloped. Within one mile east and west coal mines are worked on an extensive scale.

It is the determination of this company to fully develop their whole territory. Subscribers to stock can feel satisfied that no effort will be spared on the part of the officers and managers to bring out the oil, which must be within reach of faithful labor. We invite a careful examination of our prospectus by all. We have every confidence in our oil prospects, and every assurance that the stock of the company will soon advance in price.

There are now only 50,000 shares of the stock of this company offered for sale, the rest is all taken.

HEALTH HELMBOLD'S FLUID EXTRACT BUCHU

For Non-Retention or incontinence of Urine, Inflammation or Ulceration of the Bladder, Kidneys, Diseases of the Prostate Gland, Gravel, Brickdust deposits, Dropsical Swellings, Organic Weakness, Debility, Female Complaints, &c.

Helmbold's Fluid Extract Buchu.
And Improved Rose Wash

Will radically exterminate from the system Diseases arising from habits of dissipation, at little expense, little or no change of diet, no inconvenience or exposure; completely superseding those unpleasant and dangerous remedies Copabia and Mercury, in curing these diseases.

USE HELMBOLD'S FLUID EXTRACT BUCHU

In all diseases of the Urinary Organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in its taste and odor, immediate in action, and more strengthening than any of the preparations of bark or iron.

Those suffering from broken down or delicate constitutions, procure the remedy at once.

The Reader must be aware that however slight may be the attack of the above diseases, it is certain to affect his bodily health, mental powers and happiness. If no treatment is submitted to, Consumption or Insanity may ensue.

All the above diseases require the aid of a diuretic.

Helmbold's Extract Buchu
IS THE GREAT DIURETIC.

HELMBOLD'S HIGHLY CONCENTRATED Compound Fluid Extract SARSAPARILLA.

For purifying the blood, removing all diseases arising from excess and imprudence in life, chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swelling of the Bones, Ulcerations of the Throat and Legs, Blisters, Pimples on the Face, Tetters, Erysipelas, and all scaly eruptions of the skin, and beautifying the complexion.

NOT A FEW

Of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect

HELMBOLD'S Compound Extract of Sarsaparilla.

It cleanses and renovates the Blood, instils the vigor of HEALTH into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken.

Two tablespoonfuls of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles—in *Vacuo*—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their properties with those set forth in the U. S. Dispensatory.

HOW TO USE THE REMEDIES.

In diseases of the Blood, Humors on the Face, or any and every part of the body, use Extract Sarsaparilla, applying to Pimples and all external Humors or Eruptions, the Improved Rose Wash.

Use the Extract Buchu for all diseases requiring the aid of a Diuretic, except those of the Urinary Organs, such as Gonorrhoea and Gleet; in these use the Extract Buchu and inject with the Improved Rose Wash.

These extracts have been admitted to use in the United States Army, and also in general use in all the state hospitals and public institutions throughout the land, as well as in private practice, and are considered as invaluable remedies.
