Whiskers!—Those wishing a fine set of Whiskers, a nice Moustache, or a beautiful head of glossy Hair, will please read the Card of THOS. F. CHAPMAN, in this paper.

We understand that from and after June first, the Pennsylvania Railroad Company have determined to receive none but Government money or National currency in payment for freight and passenger fare. This is a good move in the right direction and if followed by others will soon drive out all the filthy trash passing for money, and give us a uniform and reliable circulating medium.

We suppose our boys are not aware of the fact that mutilating, defacing and tearing down posters and hand bills is a penal offence. The nuisance has become so common that scarcely an advertisement of any kind is left unmolested a day after it has been posted up. Take a friendly advice and stop this mischief. We warn our boys that they may fear one bill too many, for an example will soon be made of some of these mischievous scamps.

HOUSE-CLEANERS.

WALL BRUSHES. A new article in this market, and far superior to any other in use. A few reasons why: First.—They are free from twine, which is affected by the lime, and liable to rot, causing the falling out of the bristles. Second.—The bristles are inserted in the wood of the body of the brush, which when dry, causes them to be held firmly in their place; any subsequent soaking or shrinkage fails to affect them. Third.—They are made of Bristles exclusively; many kinds being composed, in part, of whalebone. Fourth.—They contain more bristles for the size, and are as cheap as the ordinary kind. Sold exclusively by JOHN SPANGLER, AT HIS HARDWARE STORE.

Having removed to the Rooms formerly occupied by Dr. Swartzel, adjoining Spangler & Patterson's Store, Market Street, where he is now prepared to wait on all who may feel disposed to patronize him. Dentistry in all its branches carried on. Teeth inserted on the most approved principles of Dental Science. All operations on the mouth performed in a skillful and workmanlike manner—on fair principles and on VERY REASONABLE TERMS. Having determined upon a permanent location at this place, would ask a continuation of the little change heretofore extended to him, for which he will render every possible satisfaction. Ether administered to proper persons.

U. S. 7-30 Loan. The sale of the first series of \$300,000,000 of the 7-30 Loan. Was completed on the 31st of March, 1865. The sale of the second series of THREE HUNDRED MILLIONS, payable three years from the 15th day of June 1865, was begun on the first of April. In the very short space of 30 days over ONE HUNDRED MILLIONS of this series HAVE BEEN SOLD—leaving this day less than Two Hundred Millions to be disposed of. The interest is payable semi-annually in currency, on the 15th of December and 15th of June, by coupons attached to each note, which are readily cashed anywhere. It amounts to One cent per day on a \$50 note, Two cents " " " \$100 " " " " " " " \$100 " " " " " " " \$500 " " " " " " " \$1000 " " " " " " " \$5000 " " " " " " " MORE AND MORE DESIRABLE.

The Rebellion is suppressed and the Government has already adopted measures to reduce expenditures as rapidly as possible to a peace footing, thus withdrawing from market as borrower and purchaser. This is the only Loan in Market now offered by the Government, and constitutes THE GREAT Popular Loan of the People. The 7-30 Notes are convertible on their maturity, at the option of the holder, into U. S. 5-20 SIX PER CENT.

GOLDBEARING BONDS, WHICH ARE ALWAYS WORTH A PREMIUM. FREE FROM TAXATION. The 7-30 Notes cannot be taxed by Towns, Cities, Counties or States, and the interest is not taxed unless on a surplus of the owner's income exceeding \$600 a-year. This fact increases their value from one to three per cent. per annum, according to the rate levied on other property.

SUBSCRIBE QUICKLY. Less than \$200,000,000 of the Loan authorized by the last Congress are now in the market. This amount at the rate at which it is being absorbed, will all be subscribed for within two months, when the notes will, undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans. It now seems probable that no considerable amount beyond the present series will be offered to the public.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Banks throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

JAY COOKE. SUBSCRIPTION AGENT, Philadelphia. May 1st, 1865. [40-1st] Subscriptions will be received by The First National Bank of Marietta.

PUTNAM'S CLOTHES WRINGER. It is the only reliable self-adjusting wringer.

No. WOOD WORK TO SWELL OR SPLIT. No Thumb-screws to get out of order. Warranted to hold or with-out Cog-Wheels. It took the First Premium at Fifty-seven State and County Fairs in 1864, and is without an exception, the best Wringer ever made. Patented in the United States, England, Canada, and Australia. Agents wanted in every town.

WHAT EVERYBODY KNOWS: That Iron well galvanized will not rust; That a simple machine is better than a complicated one; That a Wringer should be self-adjusting, durable, and efficient; That Thumb-screws, and Fastenings cause delay and trouble to regulate and keep in order; That wood soaked in hot water will swell, shrink and split; That wood bearings for the shaft to run in will wear out; That the Putnam Wringer, with or without cog-wheels, will not tear the clothes; That cog-wheel regulators are not essential; That the Putnam Wringer has all the advantages, and not one of the disadvantages above named; That all who have tested it, pronounce it the best Wringer ever made; That it will wring anything from a thread to a bed quilt without alteration; We might fill all the paper with testimonials, but insert only a few to convince the skeptical, if such there be; and we say to all, test Putnam's Wringer. Test it thoroughly with any and ALL others, and if not entirely satisfactory, return it. Putnam Manufacturing Co. GENTLEMEN: I issue from practical experience that iron well galvanized with zinc will not oxidize or rust one particle. The Putnam Wringer is as near perfect as possible, and I can cheerfully recommend it to be the best in use. Respectfully yours, Jno. W. WHEELER. Cleveland, Ohio.

Many years' experience in the galvanizing business enable me to endorse the above statements in all particulars. J. G. LEFFERS, 100 Beekman St. New York, January, 1864. We have tested Putnam's Clothes Wringer by practical working, and know that it will do. It is cheap; it is simple; it requires no room, whether at work or at rest; a child can operate it; it does its duty thoroughly; it saves time and it saves wear and tear. We earnestly advise all who have much washing to do, with all intelligent persons who pay for it, to buy this Wringer. It will pay for itself in a year at most.

PRICES—\$8, \$9, and \$10. Sample Wringer sent and express paid on receipt of price. Manufactured and sold, wholesale and retail, by the PUTNAM MANUFACTURING CO., No. 13, Platt Street, New York, Bennington, Vermont, [May 28, '64. 1y.]

JOB PRINTING of every description executed with neatness and dispatch at the office of The Mariettaian.

MANAGEMENT SALE. Gold and Silver Watches, Jewellery, &c. ON THE ONE DOLLAR PLAN.

The entire stock of one Gold and Silver Watch Manufacturing, Two Immense Jewelry Establishments, One Silver Plating Ware-house, One Gold Pen and Pencil Maker, TO BE DISPOSED OF WITH DISPATCH WITHOUT REGARD TO COST!

The Goods are of fashionable styles and most excellent workmanship, and are sacrificed in this manner to relieve the proprietors from embarrassment occasioned by a distracting civil war. It should be prominently stated, also, that they are mostly of AMERICAN MANUFACTURE and therefore greatly superior to the goods imported from abroad and hawked about as the cheapest ever sold. The simple duty on imported goods and the high premium on Gold (all foreign bills are payable in gold,) amount to more than the entire cost of many of the articles offered by us to the public. To facilitate the sale.

ONLY ONE DOLLAR will be charged for any article on our list, and this sum the purchaser need not pay until he knows what he is to get! This plan accords with the method recently become so popular for disposing of large stocks of Jewelry and similar products.

THE PLAN IS SIMPLE! The name of each article offered for sale as "Gold Hunting Watch," "Gold Oval-Ban Bracelet," "Pearl Breastpin and Ear-Drops," "Gold Emerald Ring," "Silver Plated Cake Basket," &c., is written on a card and enclosed in a sealed envelope; these envelopes are then placed in a drawer and well mixed; then as an order is received, with twenty-five cents for return postage and other charges, one of the cards or certificates is taken at random and sent by first mail to the customer, who will see at once what he can get for One Dollar. If he is pleased with his fortune he can forward the money according to directions on the certificate and secure the prize. If the article awarded should be unsuited to the purchaser—as for example, a set of Pearl Ear Drops—then a young man who could not wear them, and had no one to give them to—we will send any other article on the catalogue of equal price which may be preferred. Or if, for any reason, you choose to venture no further, then you can let the matter drop where it is and spend no more. Examine carefully our Catalogue!

HEALTH HELMBOLD'S FLUID EXTRACT BUCHU

For Non-Retention or incontinence of Urine; Inflammation or Ulceration of the Bladder or Kidneys, Diseases of the Prostate Gland, Gravel, Brickdust deposits, Dropsical Swellings, Organic Weakness, Debility, Female Complaints, &c.

Helmbold's Fluid Extract Buchu, And Improved Rose Wash. Will radically exterminate from the system Diseases arising from habits of dissipation, of little expense, little or no change of diet, no inconvenience or exposure; completely superseding those unpleasant and dangerous remedies Copahu and Mercury, in curing these diseases.

USE HELMBOLD'S FLUID EXTRACT BUCHU. In all diseases of the Urinary Organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in its taste and odor, immediate in action, and more strengthening than any of the preparations of bark or iron.

Those suffering from broken down or delicate constitutions, procure the remedy at once. The Reader must be aware that however slight may be the attack of the above diseases, it is certain to affect his bodily health, mental powers and happiness. If no treatment is submitted to, Consumption or Insanity may ensue.

All the above diseases require the aid of a diuretic. Helmbold's Extract Buchu IS THE GREAT DIURETIC.

HELMBOLD'S HIGHLY CONCENTRATED Compound Fluid Extract SARSAPARILLA.

For purifying the blood, removing all diseases arising from excess and imprudence in life, chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swelling of the Bones, Ulcerations of the Throat and Legs, Blisters, Pimples on the Face, Tetter, Erysipelas, and all scaly eruptions of the skin, and beautifying the complexion.

NOT A FEW Of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect

HELMBOLD'S Compound Extract of Sarsaparilla. It cleanses and renovates the Blood, instills the vigor of HEALTH into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and new, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken.

Two table-spoonfuls of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles—in Vacuum—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their properties with those set forth in the U. S. Dispensatory.

HOW TO USE THE REMEDIES. In diseases of the Blood, Humors on the Face, or any and every part of the body, use Extract Sarsaparilla, applying to Pimples and all external Humors or Eruptions, the Improved Rose Wash.

Use the Extract Buchu for all diseases requiring the aid of a Diuretic, except those of the Urinary Organs, such as Gonorrhoea and Gleet; in these use the Extract Buchu and in-ject with the Improved Rose Wash.

These extracts have been admitted to use in the United States Army, and also are in very general use in all the state hospitals and public institutions throughout the land, as well as in private practice, and are considered as invaluable remedies.
