THE FRUIT EXHIBITION :- The Farmor's and Gardener's Society of East Plonegal held a grand exhibition of fruits and flowers on Monday evening last. The display of Strawberries was quite cties, and the quality superior to any that we have heretofore seen. The Triouphe de Gand and Russel's Prolific were the leading berries in point of size and havor. The Wilson's Albany contiones to retain its reputation for prothe most beautiful fruit on exhibition. Henry M. Engle exhibited twenty-six committee on Seedlings recommended Mr. Engle's new varieties; they regarded No. 16 as much superior to the Peabody and Wilson, of which it is a cross.

The committee on named varieties made favorable mention of Triomphe York county; Simon Greybill, Cyrus Lenhart, S. H. Purple, Barr Spangler, and Henry M. Engle. Also of Wilson's Albany by Simon Greybill and Henry M. Engle; Russel's Prolific by Barr Spangler and Henry M. Engle; French seedling by Daniel Engle; Hovey seedling by Mrs. A. N. Cassel, and Jacob and Peter Roth, which fully sustained the reputation of that long established variety; Austin by Cyrus Lenhart, Jno. A. Garber, and S. H. Purple.

The Tribune varieties exhibited by Henry M. Engle did not meet the expectations of the members of the society; they must do better to sustain the reputation given them in New York.

There was a good display of Cherries. J.J. Libhart exhibited three varieties, of which the Ohio Beauty was the finest; Daniel Engle six varieties; Miss Margaret Child two varieties, one of which was very fine; John Musser four varieties, his Governor Wood and Early Richmond were superior of the kinds; Franklin Hipple two varieties, both very good; G. W. Mehaffy, three varieties; Mrs. A. N. Cassel fine specimens of May Dukes; Simon Greybill, Bleed. ing Hearts.

Beautiful Bouquets were exhibited by Miss Susan Brown, Mrs. A. N. Cassel, Miss Anna Libhart, Miss Addie Spangler, Mrs. Barr Spangler, Miss Lizzie Cuiran and Mrs. Robert Ramsey. A. fine Lilly by Miss Lizzie Curran. The committee on Flowers were so enraptured with the beauty of the bouquets that they could only discriminate in the tastefulness of arrangement, and this they awarded to Miss Addie Spangler.

Should the Summer be a favorable one for vegetation, we shall expect an exhibition in the fall that will eclipse any of the previous ones.

We are to have a concert on Frilay evening next, at the Town Hall, by the "Kepper Orchestra" of Columbia, We can assure our readers that they will be highly entertained by these performers. The performances of Professors Keffer and Schmied alone are worth more than the price of admission, whilst the members of the orchestra, have, we are told, under the tuition of Prof. Washington H. Keffer, become excellent musicians. We hope to see the hall crowded, for a musical treat may really he looked for ...

The Pittsburg Oil and Mining Journal, in speaking of the "Eagle Petroleum Company" says : "The usual business announcement of this company for those celebrated Instruments, and will allas just been made. The capital is limited to a proper ratio of property. The company has a well under way. The officers are energetic, respectable business-men and intend to push their enterprise to a successful consummation." See card of this company in another column. Col. William H. Eagle, Presi-

Read the advertisement of Peter Redenhauser in another column, who has opened a Clothing and Gentlemen's Furnishing store in the room formerly occupied by John Crull, on Market street. Mr. R. has been for the past four years in David Hanauer's Columbia establishment, and comes here to permanently establish himself in business. A little of everything can be found amongst his stock, such as clothing, boots, shoes, hats, &c., &c.

A bold but unsuccessful attempt was made on Monday night last, to break into the safe of the County Treasury at Lancaster. They bored a hole in the safe, filled it with powder and discharged it, but without doing any damage. They are supposed to have been Philadelphia burglars.

At an election for Trustees of Zion's church, on Monday evening last, the following gentlemen were elected for the ensuing year: Samuel Hopkins, John Kline, Stephen F. Eagle, Samuel D. Miller, Michael Ramler, C. C. P. Grosh, C. A. Shaffner, Barr Spangler.

Starting Smith .- The difficulty of allowing colored persons to ride in the Herse Cars in Philadelphia, is still pending. The last No., of the Germantown Telegraph gives the following account of a scene in which Stephen unwilling part: "Some days ago a lady of Germantown, who was about stepping into an Eighth street car down town to large, numbering upwards of sixty variphen Smith, a very respectable and wealthy colored person, on the sidewalk. who was on his way a-foot to the same destination. She invited him to get in also, but he declined on the ground that the conductor would not allow him. ductivences, but is regarded by connois- Sho insisted, and he got in. No sooner, sours as of inferior quality. A dish of however, was he inside, than the conexceedingly large, light-colored symmet- ductor ordered him out. The lady told rical berries, exhibited by Michael Ram- the conductor peremptorily that he ler, (without a name) were regarded as should not get out. The conductor said the rules of the company compelled bim to turn him out. The lady replied varieties, in addition to nearly as many that she cared nothing for the rules of seedlings which he has originated. The the company so long as they were in vi- keep on hand all kinds of olation of the laws, and that she would Brandies, Wines, Gins. Irish and Scotch the cultivation of No. 5, 11 and 16, of have him prosecuted if a hand was laid upon Smith. The conductor then said that he would put the car off the track. The lady was equal to the emergency, and replied with increased energy, that that also was a violation of the law, and De Gand by Jacob and Peter Roth, of she would prosecute him for a nuisance in obstructing the public highway. This ended the controversy with the good Christian lady's triumph, much to the amusement of the other passengers in the cars, not one of whom objected to the company of Stephen Smith.

A small pox case was imported from Harrisburg to this place, a few days since, which caused considerable talk and some threats made against the family who received him,-he being no relation of the family whatever. Complaint was made to Chief Burgess Stence who had him removed to the almshouse at Lancaster.

Wednesday Evening's Lancaster Express says John B. Taylor, a Tailor from Marietta, was kicked by a mule, at B. B. Martin's Coal Yard in that city. Word was sent to his family in this place, that he was killed-his wife went down after him on Wednesday morning and returned with him in the noon train, with a load of-whisky on the brain. John, we fear, is a hopeless case of inebriation.

Col. W. H. Eagle informs us that the festival at the Atheneum room, on Tuesday evening, netted forty dollars to the monument fund. A pic-nic is now talked of by these gentlemen. It is to be hoped that no lukewarmness will be allowed to prevent the going on of this laudable undertaking.

Rev. William A. Fleming, of Blair county, will preach in the Presbyterian Church, to-morrow (Sunday) morning and evening.

WALL BRUSHES.

A new article in this market, and far superior to any other in use. A few reasons why:

First.—They are free from twine, which is affected by the lime, and liable to rot, caus-ing the falling out of the bristles.

Second.—The bristles are inserted in the wood, or body of the brush, when green, which when dry, causes them to be held firmly in their place; any subsequent soaking or shrinkage fulls to affect them.

Third.—They are made of Bristles exclusively; many kinds being composed, in part, of

whalebone.
Fourth.—They contain more bristles for the size, and are as cheup as the ordinary kind.
