Gold and Silver Watches, Jewelry, &c.

ONLY ONE DOLLAR. will be charged for any article on our list, and this sum the purchaser need not pay until he knows what he is to get? This plan accords with the method recently become so popular for disposing of large stocks of Jewelry and similar parlous. THE PLAN IS SIMPLE! The name of each article offered for sale as "Gold Hunting Watch," "Gold Oval-Brand Bracelet," "Pearl Breastpin and Ear-Drops, Hold Emerald Ring," "Silver Plated Cake Basket," &c., is written on a card and enclosed in a sealed envelope; these envelopes are then placed in a drawer and well mixed; then as an order is received, with twenty-five cents for return postage and other charges, one of the cards or certificates is taken at random and sent by first mail to the customer, who will see at once what he can get for One Dollar. If he is pleased with his fortune he can forward the money according to directions on the certificate and secure the prize. If the article awarded should be unwanted to the purchaser - as for example, a pair of Pearl Drops and Breastpin to a young man who could not wear them, and had no one to give them to - we will send any other article on the catalogue of equal price which may be preferred. Or if, for any reason, you choose to venture no further, then you can let the matter drop where it is and spend no more. Examine carefully our Catalogue!
