"Peterson" for July is out ;-on-Two dollars a year. This is a very heap and a very good magazine for the airsex. The frontispiece, fashion plate, connet, hat and garment paterns are all ery fine, whilst the reading matter "is xcellent, Charles J. Peterson, 306 Chestnut street, Philadelphia.

We are requested by Charles Lougenderfer, formerly of this borough, but now proprietor of "Lauer's Beer larden," Reading, to say that he is the best possible manner. Charley gally has a very inviting place for lovrs of lager, sweitzer, pretzels, etc., and himself, as polite and attentive as a rench dancing master. He will be rtain to make all welcome who call.

at It having been reported that the Johnnbia Insurance Company" had, ost very heavily by the recent fire in Harrisburg, the secretary, Mr. Young ays the only risks which his company and in the burnt district were Poulton Bivens \$2,000; William Parkhill, 1.000; and Jacob H. Stehley, \$1,500. This company is now regarded as one of he safest and most ably managed in be State.

Godey's Lady's Book" for July on our table. We cannot say any. hing new of this old and popular Lady's companion. It stands at the head of all native and foreign monthlies-is a head and shoulders" higher than any. We say to the sex, do not do without Godey." To be at all near up to the standard of the age, every lady should be a regular reader of this excellent book.

& Constable Emswiler made a "proessional" call on all of our hotels, resaurants and cellar clap-traps, on Satursylast, and gave notice that unless her kept closed hereafter on Sunday, would positively return them to ourt. The consequence was that Sunlay was "down in the mouth," and had he appearance of a general funeral day. I this state of things will only continue, twill be well for the town, for we are old that very few of these places did GEORGE YOUNG, Jr., Secretury. my more than close their front shutters, MICHAEL S. SHUMAN, Treasurer. whilst the traffic went on in the inside s any other day.

The Concert by the "Keffer Orhestra" of Columbia, in the town hall, on Friday evening of last week, was a post complete success, in every sense of the term. The hall was crowdedthe music exquisite—the satisfaction general. The performances on the Violin, by Professor Keffer were fine, whilst Professor Schmied and the members of PETER RODENHAUSER, the orchestra did more than well. We lave heard but one opinion of the enterainment-and that a highly flattering ne. Whilst in this connection, we may tate that Mr. Thomas R. Supples, resident of the "Keffer," has dropped hanote requesting us to present the banks of the "Orchestra" to the citiens of Marietta for the liberal support iven their concert, and to Mr. Houseal, of the Railroad Hotel, for his kindness hallowing them the use of his piano.

Arrangements are now being SUMMER HATS! nade by the Atheneum Association, for he celebration of the Fourth of July. basket pic-nic is to be held on the ork county shore—near the "Glatz erry"—where a large platform is now ng erected. ' Keffer's Cotillion Band, tom Lancaster, has been engaged "to o the music"; the proceeds—if any, to to the Soldiers' Monument Fund. Yow here are two strong inducements o attend—first, to hear sweet, soul-stiring music and "tip it on the light fanastic toe": second, to contribute to so audable an object as a Soldiers' Monupent. Who will fail to attend? Only hink of it-romantic rural romps on he hill with some of Eve's fair daughers-the declarations-then the magic lance—and—and—finally think you have contributed to erect something to emember the fallen hero. Let "every hother's son" (and daughter) who reives an invitation, go.

J. Gilbert L. Brown, esq., cashier f Forney's Press, was, a few days since, rescuted with an elegant dinner and es set by the attachees of that estabishment, as a mark of their high esteem or him. Mr. Brown is a Lancasterian Honey, Clycerine, Palm, Almond, Bath and a graduate of the old Intelligencer, inder Col. Forney's time. He has been THE GOLDEN MORTAR. onnected with "The Press" ever since thas been established.

HOUSE-CLEANERS.

WALL BRUSHES.

A new article in this market, and far superior to any other in use. A few reasons why:

First.—They are free from twine, which is Arrst.—They are free from twhe, which is affected by the lime, and liable to rot, causing the falling out of the bristles.

Second.—The bristles are inserted in the wood, or body of the brush, when green, which when dry, causes them to be held firmly in their place; any subsequent soaking or shrink-see falls to affect them. age fails to affect them. age mans to affect them.

Third.—They are made of Bristles exclusively; many kinds being composed, in part, of

whalebone.

Fourth.—They contain more bristles for the size, and are as cheep as the ordinary kind.

By Authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, from State, County, and Municipal taxation, which adds from one to three per cent. per annum in their value, according to the rate levied on other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7.30 per cent. amounts to One cent per day on a \$50 note Two cents " " " \$100 " Ten et . ce et et 8500 4 20 " " " " \$1000 " \$5000 4

The Notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent. instead of 7.-3-10ths in currency, Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this third series of the Seven-thirties will commence on the 1st of June, and will be made promptly and continuously after that date.

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the even of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent. in

The Great Popular Loan of the People. Less than \$230,000,000 of the Loan authorized by the last Congress are now in the market. This amount at the rate at which it is being absorbed, will all be subscribed for within two months, when the notes will, undoubtedly command a premium, as has uniformly been the case on closing the subscrip-

tions to other Loans. In order that citizens of every town and ection of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Bankers throughout subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.
