Gold and Silver Watches, Jewelry, &c.

ON THE ONE DOLLAR PHAN.
The entire stock of one Gold and Silver Watch Manufactory, Two Immense Jewelry Establishments, Cne Silver Plating Ware-house, One Gold Pen And Pencil Maker,

TO BE DISPOSED OF WITH DISPATCH

WITHOUT REGARD TO COST! The Goods are of fashionable styles and most excellent workmanship, and are sacrifi-ced in this manner to relieve the proprietors from embarrassment occasioned by a distracting civil war. It should be prominently sta-ted, also, that they are mostly of AMERICAN MANUFACTURE

and therefore greatly superior to the goods imported from abroad and hawked about as imported from abroad and nawked about as the cheapest ever sold. The simple duty on imported goods and the high premium on Gold (all foreign bills are payable in gold,) amount so more than the entire cost of many of the pritiels offered by us to the public. To facili-

tate the sale
ONLY ONE DOLLAR will be charged for any article on our list, and this sum the purchaser need not pay until he knows what he is to get! This plan accords with the method recently become so popular for disposing of large stocks of Jewelry and similar productions.

THE PLAN IS SIMPLE!

The name of each article offered for sale as "Gold Hunting Watch," "Gold Oval-Band Bracelet," "Pearl Breastpin and Ear-Drops, "Hold Eramelled Ring," "Silver Plated Cake Basket," &c., is written on a card and en closed in a sealed envelope; these envelopes are then placed in a drawer and well mixed; then as an order is received, with twenty-five cents for return postage and other charges, one of the cards or certificates is taken at random and sent by first mail to the customer, who will see at once what he can get for One Dollar. If he is pleased with his fortune he can forward the money according to directions on the certificate and secure the prize. If the article awarded should be unsuited to the purchaser—as for example, a set of Pearl Ear Drops and Breastpin to a young man who could not wear them, and had no one to give them to—we will send any other article on the catalogue of equal price which may be preferred. Or if, for any reason, you choose to venture no further, then you can let the matter drop where it is and spend no more. Examine carefully our Catalogue! THE PLAN IS SIMPLE! amine carefully our Catalogue!

I have analysed "L. Lyons' Pure Catawba Brandy," with reference to its composition and character, being the same as that produced in past years. A sample taken from ten casks afforded the same results with regard to purity; a slightly increased amount of the principle on which its flavor depends was determined by comparison with former samples.

The indications of analysis show that this Brandy is produced by the same process as most of the imported Brandy.

DROWNING'S Excelsion Coffee.

Whilst trying Coffee of all the various brands. Remember "BROWNING'S EXCELSIOR" -at the head it stands.

True, it's not like others that are "SOLD EVERYWHERE." A little stretch, we all do know, good goods will easily bear,

Now, I can sately say, without any hesitation.
There's none like "BROWNING'S EXCEL-SIOR" in this enlightened nation. Skilled chemists have not found a Coffee from

Possessing the same ingredients as "Brown ing's Excelsior."

Nor is there any one, in or out of the Coffee trade, Who knows the articles from which "Brown ing's Excelsior's' made,
I'm told it's made from barley, rye, wheat,

Name a thousand other things—but the

But with the Coffee-men I will not hold contention For the many, many things they say—too nu-merous to mention. Whilst they're engaged in running round from

Now, try a little of them all—see which you like the best.

Three years have passed away since I first sold a store; Never have I in your paper advertised before; Nor would I now, or ever consent to publish
