The ladies thronged their bazaar almost to suffocation, although the streets were rendered nearly impassable by the melted snow and slush. We predict for them a wonderful success.

From the "Ledger," February 28, 1865.

Our lady friends should visit the extensive establishment of Messrs. Devaugh & Co.'s No. 15, Maiden Lane, if they wish to indulge themselves with a sight which they will long remember. Such a profusion of elegant Watches, Chains, Rings, Earrings, and, in short, of Jewelry of every name, kind and description, we never before witnessed. It is estimated that their stock is worth not less than one million of dollars.

Pulmonary Consumption, And even where this fearful disease has taken hold it will afford greater relief than any other medicine.

Miss Kate Vanderslice of Pottsville, says:

"I was benefited more by using the Phenix Pectoral than any other medicine I ever used." Elias Oberholtzer, of Lionville, Chester county, was cured of a cough of many years' standing by using the Phenix Pectoral.

Joseph Lukens, of Hall street, Phenix ville, extrifies that he was cured of a county of two certifies that he was cured of a cough of two years' standing, when all other medicines had failed, by the use of the Phænix Pectoral.

Jacob Powers certifies that he has sold hun-

dreds of bottles of the Phoenix Pectoral, and that all who used it bear testimony of its wonderful effects in curing coughs.

John Royer, editor of the Independent Phænix, having used it, has no hesitation in

pronouncing it a complete remedy for cough, hoarseness and irritation in the throat.

The West Chester Jeffersoman says: "We have known Dr. Oberholtzer personally for number of years, and it gives us the greatter pleasure to recommend his medicines, inasmuch as the public rarely have the benefia family medicines prepared by a physician of family medicines prepared by a physician of his acquirements and experience.

Dr. Oberholtzer is a member of the Alumni

of the Medical Department of the University of Pennsylvania, at which institution he grad-uated in 1854." The Reading Gazette says: "This cough remedy is made by Dr. L. Oberholtzer, of Phænixville, Pa., and it has acquired an un-

surpassed reputation in curing coughs. It is carefully and skillfully prepared from Wild Cherry Bark and Seneka Snake' Root." Dr. Geo. B. Wood, Professor of the Practice of Medicine in the University of Pennsy-vania, Physician to the Pennsylvania Hospit-al, and one of the authors of the United States Dispensatory, says of Seneka Snake Root:
"Its action is especially directed to the lungs."
The proprietor of this medicine has so much

confidence in its 'curative' powers, from the testimony of hundreds who have used it, that the money will be paid back to any purchaser who is not satisfied with its effects. It is so pleasant to take that children cry
