There are many preparations soid under the name of Bitters, put up in quart bottles, com-pounded of the cheapest Whiskey or common Rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander seed. This class of Bitters has caused and will coninue to cause, as long as they can be sold, aundreds to die the death of a drunkard. By their use the system is kept continually under the influence of alcoholic stimulants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors at-tendant upon a drunkard's life and death. Be-

vare of them.

For those who desire and will have a liquor For those who desire and will have a liquor bitters, we publish the following receipt:

Get one bottle Hoofland's German Bitters and mix with three quarts of good Whiskey or Brandy, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous liquor bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of lives. ers in connection with a good article of liquor and at a much less price then these inferior reparations will cost you.

Those suffering from marasmus, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have most surprising effect. DEBILITY,

FEVER AND AGUE.—The chills will not return if these Bitters are used. No person in a fever and ague district should be without them. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knewledge.

Although not disposed to favor or recommend Patent Medicines in general, through district of their ingredients and effects; I yet know of no suffici nt reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the received from any simple preparation, in the hope that he may thus contribute to the bene-

hope that he may thus contribute to the penefit of others.

I do this more readily in regard to Hoofland's
German Bitters, prepared by Dr. C. M. Jackson
because I was prejudiced against them for a
number of years, under the impression that
they were chiefly an alcoholic mixture. I am
indebted to my friend Rob't Shoemaker, esq.,
for the removal of this prejudice by proper for the removal of this prejudice by proper tests, and for encouragement to try them, when tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost dispaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. Newton Brown.

Of the worst disorders that afflict mankind arise from the corruption that accumulates in Ulali the discoveries that have

been made to purge it out, none can equal in **HELMBOLD'S** 

It cleanses and renovates the Blood, instils! the vigor of HEALTH into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and new, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles-in Vacuo-and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their properties with those set forth in the U. S. Dispensato-

HOW TO USE THE REMEDIES.

In diseases of the Blood, Humors on the Face, or any and every part of the body, use Extract Sarsaparilla, applying to Pimples and all external Humors or Eruptions, the Improved Rose Wash.

Use the Extract Buchu for all diseases re-

quiring the aid of a Diuretic, except those of the Urinary Organs, such as Gonorrhea and Gleet; in these use the Extract Buchu and in-ject with the Improved Rose Wash. These extracts have been admitted to use in the United States Army, and also are in the Oblica States Army, and also are in very general use in all the state hospitals and public institutions throughout the land, as well as in private practice, and are considered as invaluable remedies.
