This class of Bitters has caused and will continue to cause as long as they can be sold.

By their use the system is kept continually under the influence of alcoholic stimulants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors at-tendant upon a drunkard's life and death. ware of them.

For those who desire and will have a liquor oitters, we publish the following receipt: Get one bottle Hoofland's German Bitters and mix with three quarts of good Whiskey or Brandy, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous liquor bitters in the market, and will cost much less. Although not disposed to favor or recommend Patent Medicines in general, through distrost of their ingredients and effects; I yet know of no suffici mt reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the bencfit of others.

fit of others.

I do this more readily in regard to Hooffand's German Bitters, prepared by Dr. C. M. Jackson because I was prejudiced against them for a number of years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Rob't Shoemaker, esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the beginning of the present year, was followed by evident relief and restoration to a decree of ginning of the present year, was lollowed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost dispaired of regaining. I therefore thank God and my friend for directing me to the use of them.
