SATURDAY, SEPTEMBER 9, 1865

Don't forget the Horticultural exhibition of the Farmers' and Gardenest' Society of East Donegal, on Thursday next. We hope and expect to see the Temperance and Town Halls crowded, not only with spectators, but a fine display of everything in the horticultural way. The following gentlemen compose the Executive Committee, who will have charge of everything on exhibition. Messrs. Jacob Roth, Michael Ramler, Henry Wolfe, Abraham Summy, S. L. Dellinger, Hiram Engle, Jacob E. Kreybill, F. L. Baker. The following ladies compose the Committee on Flowers, and will have charge of the Floral Department : Mrs. Henry Wolfe, Mrs. S. P. Sterrett, Mrs. Barr Spangler, Mis. M. Bonham, Miss Barbara Book. Miss Mary Park, Miss Kate Libhart. Miss Ada Spangler. Everything intended for exhibition should be in before ten o'clock, as the committees will make their examinations previous to the opening of the halls to the public.

We forgot to mention in our last, that the "democracy" of York, in convention assembled, placed our friend and former townsman, General A. Hiestand Glatz, as a candidate for the State Sensie, for the Senatorial District composed of York and Cumberland. General Glatz represented York county two sesin the Senate. The General, apart from his uncompromising copperheadism, is a gentleman, and will serve his constituency with fidelity and diligence.

The residence of Abraham Musselman, at the Marietta Furnaces. caught fire in some way from deficient gas fixtures, on Sunday evening last. but before any great damage was done, the fire was extinguished. Considerable damage was done the furniture by being hastily and roughly removed from the building,

The colored folks attached to the Bethel congregation of this place, are low holding a campmeeting in Jacob E. Kreybill's woods, near the Colebrook oad, within about one mile of the boough line. There will be a "gay time," doubt. The same congregation had festival in their church on Thursday Tening; the object being to raise funds opay off an indebtedness still remaing on their church.

We are indebted to Mr. Henry LEngle for a basket of fine Peaches: lso, to Mr. Emswiler, who has charge the A. W. Stehman orchard, for a-lot the largest and finest looking "Craword's Late" we have ever seen.

We understand that Mr. Emswier is about making arrangements to en a regular Auction House, in Cushauction sales will take place our place.

Bear in mind that Isaac Wolfersiger's new and handsome residence, front street, will be offered at public e, on Monday evening next.

 Mr. Maxwell's academy will open Propils, on Monday next, in the Donal House building. See his card in lother column.

There will be a meeting of the pion League on Monday evening next. is to be hoped there will be a large 1-041, as some business of importance li be brought before the council.

J. Glancy Jones, of Reading, paid isit to the "Sage of Wheatland" on paday last, no doubt for the purpose irranging the fall campaign.

Levi W. Groff, of West Earl waship, this county, has an old fashed silver watch which once belonged Or. Franklin, having engraved on the ick: "Ben Franklin-1776."

Preacher Jacob Graybill sold his adjoining the "Evans-Clark," James Duffy farm, a few days since, ames L. Reynolds, of Lancaster, at O per acre. The farm contains 107 8, and is a very fine one.

General Heintzleman, who has been mustered out as a major Gen-, but remains Colonel of the 17th Inalry, left Washington city a few days e, to visit his early home in the boagh of Manheim, in this county, from ch he has been absent for 23 years. s is his first leave of absence since commencement of the rebellion. General showed unquestioned braduring the late war.

We learn from the agent of the ams' express, at this point, that over boxes of Peaches are shipped daily one house in Pittsburg. This is beming one of the largest Peach marts the country. The Messrs. Daniel d Henry M. Engle being largely enged in that business and are the most cossful fruit growers in the State.

The different lodges of Odd Fel-Re in this county, are making preparaas for visiting Baltimore the latter of this month, to take part in the nemony of inaugurating the Wildey

The pic-nic given by the Good NEW HOOP SKIRT Templars at the "point," on the York county shore, on Thursday, was quite a success-between eighty and a hundred participating. Speeches were made by Rev. Mr. Mathias and Barr Spangler, esq. Mr. Morgan Bahn, presided. Everything, we are told, passed off very pleasantly.

In consequence of the increase of nightly disturbances in Lancaster, an additional police of twenty has been established.

Gen. Heintzleman arrived in Lancaster on Thursday morning, on his way to his old home in Manheim.

THE BITTER FRUITS OF BAD BITTERS .-- Invalid reader, do you know what nine-tenths of the bitter compounds you are solicited by the proprietors to accept as universal panaceas are composed of? Give heed for a moment, They are manufactured from unpurified alcohol, containing a considerable portion of fusel oil, a poison almost as deadly as prussic acid. The basis of the regular tinctures of the Materia Medica is the same. No amount of "herbal extracts" can overcome the bad tendency of this pernicious element. The essence of sound Rye thoroughly rectified is the only stimulant which can be safely used as a component of a Tonic, Alterative, and anti bilious medicine, and Hostetter's Stomach Bitter's is the only medicinal preparation in the world in which this article is used as an ingredient. Hence the extraordinary effects of .his great specific. It gives strength without producing excitement. No other tonic does this. All the ordinary Bitters flush the face and affect sions in the lower house and three years | the brain. Hostetter's Bitters diffuse an agreeable calm through the nervous system, promote digestion, and produce sleep. No other tonic so quickly revives the exhausted physical energies, restores the appetite, and removes the gloom and depression which always accompanies weakness of the bodily

FOR 1865-6!

The Great Invention of the Age in HOOP SKIRTS.

J. W. BRADLEY'S New Patent Duplex Elliptic (or double) Spring Skirt.

THIS Invention consists of Duplex (or two) Elliptic pure refined steel springs, ingeniously braided tightly and firmly together, edge to branch ugnuy and infmly together, edge to edge, making the toughest, most flexible, elastic and durable spring ever used. They seldom bend or break, like the single springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic skirt will be experienced particularly in all crowded Assemblies, Operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin

A lady having enjoyed the pleasure, comfort and great convenience of wearing the du-plex elliptic steel spring skirt for a single day will never afterwards willingly dispense with their use. For children, Misses, and young ladies they ar esuperier to all others.

The hoops are covered with 2 ply double twisted thread and will wear twice as long as the single yarn covering which is used on all Single steel hoop skirts. The three bottom rods on every skirt are also double steel, and twice or double covered to prevent the cover-ing from wearing off the rods when dragging down stairs, stone steps, &c., &c., which they are constantly subject to when in use. All are made of the new and elegant corded

tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most desirable, comfortable and economical Skirt ever made.
