Knowing positively that Reeves' Ambrosia produced a beautiful head of hair for Mrs. Lizzie Shepherd, of Brooklyn, New-York, I was induced, thereby, to use it thoroughly. I needed something for my lisir, it being short and thin; had used one half-dozen bottles when I could plainly notice an increase in its length, strength and beauty. An experience of about two years has proved a complete success. My hair is new, by measurement, four fields increase in Insufficient inches in Insufficential reaching reaching. success. HELMBOLD'S

Compound Extract of Sarsaparrilla. It cleanses and renovates the Blood, instils! the vigor of HEALTH into the system. and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy that could be relied on, has long been sought for, and new, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues

surpassing anything they have ever taken. Two tablespoonsful of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles—in Vacuo—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their properties with those set forth in the U. S. Dispensato

HOW TO USE THE REMEDIES.
