WHAT EVERYBODY KNOWS, viz:

That Iron well galvanized will not rust; That a simple machine is better than a com-

plicated one;
That a Wringer should be self-adjusting, durable, and efficient;
That Thumb-Screws, and Fastenings cause delay and to able to regulate and keep in order;
That wood soaked in hot water will swell, shrink and split;
That wood bearings for the shaft to run in

will wear out;
That the Putnam Wringer, with or without cog-wheels, will not tear the clothes;
That cog-wheel regulators are not essential;
That the Putnam Wringer has all the advantages, and not one of the disadvantages above named;
That all who have tested it, pronounce it

That all who have tested it, pronounce it the best Wringer ever made;

That it will wring anything from a thread to a b-d quilt without alteration;

We might fill the paper with testimonials, but insert only a few to convince the akeptical if such there be; and we say to all, test Pitham's Wringer.

Test it thoroughty with any and All others, and if not entirely satisfactory, return it.

There are many preparations soid under the name of Bitters, put up in quart bottles, com-pounded of the cheapest Whiskey or common Rum, costing from 20 to 40 cents per gallon, the taste disguised by Anuse or Coriander seed. This class of Bitters has caused and will coninue to cause, as long as they can be sold, aundreds to die the death of a drunkard. By their use the system is kept continually under the influence of alcoholic stimu ants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death. Be-ware of them.

For those who desire and will have a liquor

For those who desire and will have a liquor bitters, we publish the following receipt:

I do this more readily in regard to Hoofand's German Bitters, prepared by Dr. C. M. Jackson because I was prejudiced against them for a number of years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Rob's Shoemaker, esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the beginning of the present year, was followed by inning of the present year, was followed by wident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost dispair-ed of regaining. I therefore thank God and
