WALL BRUSHES. A new article in this market, and for superior A new article in this market, and for superity to any other in use. A few reasons why First. - They are free from twine, which is affected by the lime, and liable to rol, caus-ing the falling out of the bristles. Second. - Fhe bristles are inserted in the wood, on body of the brush, when green, which when dry, causes them to be held firmly their place; any subsequent soaking or simula age fails to affect them: Third. - They are made of Bristles exclusive ly; many kinds being composed, in part, of whatehone. Fourth. - They, contain more bristles for the size, and are as cheap as the undingry kind.
