

The Local Mariettian.

SATURDAY, DECEMBER 23, 1885.

Blank Notices to quit; those usually given to tenants on the first day of January. Also, carefully gotten up Blank Leases, for sale at this office.

David Roth has just received and exhibits at his store, some beautiful decorations for holiday presents. Drop in and see them before the choicest ones are picked-out.

There will be, as usual, an exhibition by the Sabbath School attached to the Methodist church, on Christmas (Monday) night, in the M. E. Church, commencing at 6 o'clock. A number of original pieces will be spoken, and the singing will be new and pleasing. A charge of twenty cents will be made to go toward replenishing the sabbath school library. Tickets can be obtained at any of the stores or at the church door on the evening.

The temperance society known as the "open organization" met for organization in Temperance Hall, on Monday evening last, and upwards of seventy persons joined. Rev. Mr. Clawges was music temporary president and Theodore Hiestand, secretary. Another meeting for permanent organization will be held at the same place, on the second Monday evening of January next. So good a cause should receive the help of "every body and the rest of mankind."

We understand that our old friend and the anti-vice friend of everybody, Rev. G. M. Clawges, is to be the recipient of a Christmas present in the shape of a suit of clothes. This, we understand, is being done by the patrons of the Furnace and Irish town schools. Mr. C. taught the furnace school for several seasons and is now teaching the one at Irishtown. The inebriation of the boys in these districts had become notorious, but, in a short time the old gentleman had so completely moralized the hopeless youths as to bring forth this manifestation of grateful acknowledgments from the parents. This will be gratifying news, not only to Mr. C., but to his many warm and admiring friends, and their name is legion.

H. L. & E. J. Zahn, Lancaster, have accepted the agency for the sale of Wilcox & Gibbs sewing machines. From a casual examination of this machine, we find it very simple, and, in no doubt, one of the best machines in use.

We are compelled to conform with an old and absolute rule—to refuse a place to a communication signed "Charity," for want of the author's name. The article would also bring about a discussion, which we, as a newspaper publisher, "have a holy horror" of.

Dr. William D. Reinhardt, formerly of this place, has just returned from Brazil, where he has been residing and practicing his profession for the past eight years. The Doctor looks quite aldermanic and appears in fine health.

John Spangler has just received a lot of fancy and useful articles, suitable for holiday gifts. See advertisement.

Heckrothe, that prince of land lords, has just obtained a lot of fine venison from the Clearfield region. George will have, at any cost, any reasonable luxury.

Our young townsmen, Shireman & Reisinger, have succeeded Martin Hiltbrandt, in the butchering business. They deserve encouragement.

On Monday next, (Christmas), the Post Office will be open for the delivery of letters as follows: From 6 to 7 in the morning; 12 to 1 at noon; 7 to 7 1/2 in the evening.

Our carrier is busy arranging his New Year's address, which he will present to his town patrons on the first of the year.

Prof. Cutter, of Mass., will deliver a free lecture on Temperance, in Temperance Hall, on to-morrow (Sunday) afternoon at 3 o'clock. The public is invited.

Morning service according to the rites of the Episcopal church, will be held in Zion's church on Monday next, (Christmas day) at half past ten o'clock.

A meeting of the "Fish Association" will be held in the Town Hall on Tuesday evening, Dec. 29th, at 7 1/2 o'clock, to decide final action. Every person interested is invited to attend. G. H. EITLA, Cor. Sec.

H. L. & E. J. Zahn, corner of Centre Square, Lancaster, have a very extensive and varied assortment of holiday gifts—the finest we have ever seen.

The Susquehanna river has been completely frozen over ever since Saturday morning last, and the navigation of the canal closed.

Don't forget the sale of the Hamilton Shields property, this evening at 8 o'clock.

Read the change of car time on the Reading and Columbia Railroad, in another column.

Editor of "Mariettian."—With your permission I beg leave to occupy a space in the columns of your paper, for the purpose of eliciting information upon a matter of great importance; I am by no means alone interested in this humble search for knowledge; the interests of the community demand a statement from those entrusted with our municipal management, and to whom large sums of money have, from time to time, been given for the purpose of meeting the just demands of the Government upon our Borough, for men and means, for the suppression of a wicked Rebellion. Our Country has emerged from a great War, the people are again enjoying their peaceful avocations, and there is no one that will not join me in saying that, while musing over the past, the present might be amused with a fair and impartial exhibit of our proceedings in this connection. The unprecedented auxiliaries to the Government, such as the Sanitary and Christian Commissions, the Ladies Aid Societies, the Sewing Circles, and hosts of other instruments, each in finishing their labors have publicly presented their records—so with districts having like duties to perform with our own. Will a liberal contributor and willing taxpayer, be shown who has contributed—the amounts raised—and how appropriated. A TAX PAYER. Borough of Marietta.

LADIES TAKE PARTICULAR NOTICE.

The Real Velpau Female Pills.

[WARRANTED FRENCH.] These Pills, so celebrated many years ago in Paris, for the relief of female irregularities, and afterwards so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept comparatively obscurely from the fact that the originator, Dr. VALPAU, is a Physician in Paris, of great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlaudable purposes. In overcoming female obstructions they seem to be truly omnipotent, bursting open the flood gates from whatever cause may have stopped them; but they are offered to the public only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. For sale by Dr. F. Hinkle, Marietta; P. A. Pyle, Mountjoy; H. D. Parry and R. Williams, Columbia, and druggists generally. Ladies can procure a box, sealed from the eyes of the curious, by enclosing \$1 and six postage stamps to O. G. STAPLES, General Agent for us, Water-town, New-York, or to any of the above agents.
