Compound Extract of Sarsaparrilla.

It cleanses and renovates the Blood, instills the vigor of H E A L T H into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and new, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken.
