Under his powerful pen the stirring scenes of the War pass in review with the vividness and distinctness of a present and living reality; while his great talent for condensation enables him to embody everything of importance in a compass just suited to the public want. From no other source can so clear and comprehensive an impression of the grand march prehensive an impression of the grand march of events be obtained, so easily and agreeably as from Mr. Headley's work.

Other histories have been issued before Grant's Report and other official documents were submitted to the government, and therefore unreliable. Mr. Headley has delayed the completion of this till those documents so essential to authenticity and correctness could be obtained. be obtained.

SEYMOUR THATCHER, M. D., of Herman, N. Y., writes as follows:"Wistar's Balsam of Wild Cherry gives universal satisfaction. It seems to cure a universal satisfaction. It seems to cure a cough by loosening and cleansing the lungs, and aliaying irritation, thus removing the cause, instead of drying up the cough and leaving the cause behind. I consider the Balsam as good as any, if not the best, Cough medicine with which I am acquainted." The Rev. JACOB SECHLER, of Hanover, Pa. Well known and much respected among the

German population in this country, makes the following statement for the benefit of the afflicted. the afflicted.

DEAR SIRS:—Having realized in my family important benefits from the use of your valuable preparation—WISTAR'S BALSAM OF WILD CHERRY—It affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case made frequent use of your valuable medicine, and have always been benefitted by it. JACOB SECHLER. PRICE ONE DOLLAR A BOTTLE.
