The Real Uelpau Eemale Pills. [WARRANTED FRENCH.]

These Pills, so celebrated many years ago in Paris, for the relief of female irregularities, and afterwards so notorious for their criminal and alterwards so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in Amer-ica. They have been kept in comparative ob-scurity from the fact that the originator, Dr. VALPAU, is a Physician in Paris, of great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming female obstructions they seem to be truly combinate, bursting open the flood to be truly omnipitent, bursting open the flood gates from whatever cause may have stopped them; but they are offered to the public only for legitimate uses, and all agents are forbid-den to sell them when it is understood that the object is unlawfal.
