Sanford—the original Sam—will be here this (Saturday) evening in the Town Hall. Go and laugh and grow fat. See card.

By reference to our local columns it will be seen that Professor J. P. Wickersham, the efficient head of the Milesville Normal School, has been elected Principal of the Michigan State Normal School. Although we cannot but feel gratified at this deserved compliment to our esteemed friend, we still hope that his services will be required by our own State. Pennsylvania cannot spare this popular Educator, and Gov. Curtin, if he wishes to promote education, will appoint him State Superintendent of Common Schools.—Lancaster Examiner.

Mr. Henry Harper, 520 Arch St. Philadelphia, has in store a large stock of Watches, fine Jewelry, Silver Ware, &c., &c., which he is selling at reduced prices. Read his card.

Hon. Thos. H. Burrows, editor of the School Journal, has associated with him in the management of that periodical Col. Wm. L. Bear. In introducing Col. Bear to the readers of the Journal, Mr. Burrows says: "Mr. Bear is a native of Lancaster county, and is a scholar and a gentleman. For about eleven years he was the assistant of Mr. John Beck in the well-known German Academy at Litz. In the summer of 1861, he joined the 1st regiment of Pennsylvania Reserves as 2nd Lieutenant; and after being present in all the arduous services of that gallant corps, he was mustered out as captain, with his regiment in June, 1864. Since then he has served over a year, as Lieutenant Colonel of the 195th Regiment of Pennsylvania Volunteers; and he is now ready and willing to resume his old work in the cause of youth."

The many friends of Dr. J. H. Grove will be pleased to learn of his return to his former location. He will be found at his old residence, having gone into partnership with Dr. Henry Landis. Read his card in another column.

Mr. Samuel Lindsey, is the canvassing agent for "Losing's History of the Rebellion," for this borough and vicinity. This will, unquestionably, be the finest work issued on the late war. We understand that the first volume will be ready for delivery in the course of a couple of weeks. No library will be complete without it.

In 1859, Lancaster county produced more wheat than any other county in the United States. She raised 2,125,722 bushels.

Don't forget the furniture sale at the Douglas House, on Friday afternoon next.

Dr. J. H. GROVE, After serving as STAFF SURGEON, in the United States Service for over four years, and during the whole of the Rebellion, has again located in this borough, and taken his former residence, on Market street. He has the practice of Medicine and Surgery. Dr. Grove will pay special attention to Surgery in all its various branches.

DIED. On Wednesday morning last, Mr. FREDERICK FRANK, of this borough, aged 88 years.

Special Notices. PUBLIC HEALTH.—THE PRESS.—Advertising has been pronounced "undignified" by the medical faculty. A physician who advertises a valuable remedy to fifty people in his private practice would receive the cold shoulder from his professional brethren, should he make its merits known to millions through the business columns of a newspaper press. This may be "dignified,"—but is it benevolent, humane or just? Whoever is fortunate enough to discover or invent anything that will prevent, or cure, or alleviate human suffering, is bound to make it known, through every channel of communication within his reach, to the general public. For many years the merits of Hostetter's Celebrated Stomach Bitters have thus been proclaimed to the world and multitudes have been restored to health, or saved from fatal maladies in consequence. As new facts have been developed in relation to the operation of this most pure and potent of all Stomachics and Alteratives, they have been stated in simple language to the people of many lands; and if the proprietors of the medicine have derived profit from their dissemination, thousands upon thousands of individuals have benefited thereby to an extent beyond all estimate. In the West Indies, Canada, Australia and South America, Hostetter's Bitters are recognized as the sole specific for Dyspepsia, the best possible safeguard against epidemics, and the finest invigorant in cases of General Debility, and the only diffusive stimulant entirely free from noxious ingredients. M.

LYON'S PERIODICAL DRUGS. The great female Remedy for Irregularities.—These Drops are a scientifically compounded fluid preparation, and better than any Pills, Powders or Nostrums. Being liquid, their action is direct and positive, rendering them a reliable, speedy and certain specific for the cure of all obstructions and suppressions of nature. Their popularity is indicated by the fact that over 100,000 bottles are annually sold and consumed by the ladies of the United States, every one of whom speak in the strongest terms of praise of their good merits. They are rapidly taking the place of every other Female Remedy, and are considered by all who know aught of them, as the surest, safest and most infallible preparation in the world, for the cure of all female complaints, the removal of all obstructions of nature, and the promotion of health, regularity and strength. Explicit directions stating when they may be used, and explaining when they should not, nor could not be used without producing effects contrary to nature's chosen laws, will be found care fully folded around each bottle, with the written signature of JOHN L. LYON, without which none are genuine.

Prepared by Dr. JOHN L. LYON, 195 Chapel street, New-Haven, Conn., who can be consulted either personally or by mail, (enclosing stamp) concerning all private diseases and female weaknesses. Sold by Druggists every where. C. G. CLARK & Co., Gen'l Agts for U. S. and Canada.

TO CONSUMPTIVES.—The advertiser having been restored to health in a few weeks by a very simple remedy, after having suffered several years, with a severe lung affection, and that dread disease, Consumption, is anxious to make known to his fellow-sufferers the means of cure. To all who desire it, he will send a copy of the prescription, free of charge, with the directions for preparing and using the same, which they will find a sure cure for Consumption, Asthma, Coughs, Bronchitis, Colds, and all throat and lung affections.

The only object of the advertiser in sending the prescription is to benefit the afflicted and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription, FREE, by return mail, will please address Rev. EDWARD A. WILSON, Williamsburg, Kings County, New-York.

Do not expose yourself to the chilly March winds and the shaking weather which always heralds their approach. Keep your children warmly clad and close from exposure. For bad Coughs, sudden or obstinate Coughs, Croup, and Sore Throat, use Coe's Cold Balsam. If you have the Dyspepsia, or are troubled with food distressing you, rising and souring on your stomach, your bowels are out of order, you are bilious, constipated, and generally indigested, use Coe's Dyspepsia Cure. It is the best medicine for stomach and bowel disorders in the world.

ERASMOUS YOUTH.—A gentleman who suffered for years from Nervous Debility, Premature Decay, and all the effects of youthful indiscretion, will, for the sake of suffering humanity, send free to all who need it, the recipe and directions for making the simple remedy by which he was cured. Sufferers wishing to profit by the advertiser's experience, can do so by addressing JOHN B. OGDEN, No. 13 Chamber St., New-York.
