A very interesting article on the Cholera, from the pen of Dr. Hinkle, came too late for this week's paper. It will appear in our next.

We are exceedingly glad to learn that Mr. William Child, of this borough, for the past five years a clerk in the Treasury Department at Washington, has been promoted to a higher grade in his department. Mr. C. has the reputation at Washington of being one of the best and most studious clerks in the employ of the government and 'richly' deserved promotion.

Quite a number of dwellings on Market street, and other parts of our borough, are being handsomely refitted with a clean coat of paint and some fences with a wash of lime, all of which will greatly add to the beauty and health, not only of the dwellings and the inmates, but to the whole square. A Mormon Exodus.—It is currently reported, that Brigham Young has pur chased two of the Sandwich Islands, to which he proposes to remove and take the disciples with him. If the report is correct, it is the most welcome news we have had since the close of the rebellion. The Mormon faith and government, occupying a strange relation to religion and law, and highly offensive to nearly every one in the country, held such a position that they could not well be assailed by legal methods, and grew to such a rank offensiveness that they could not well be tolerated. The saints were driven from Nauvoo for notorious offences, and in their retreat at Deseret, while building a city and thriving in their business, have been disloyal, insolent and hostile. Each succeeding year must have created more difficulties between the Mormons and the government. If they go now beyond our borders, we shall be able to add to the thankegiving an acknowledgement for the destruction of our two most offensive national crimes at Bearly the same moment—slavery and Polygamy.

It has been decided to try Jeff. Davis in a civil court in the State of Virginia, most probably in the judicial district of Norfolk. Since the Government has decided to bring him at once to trial on the charge of treason, preparations to that end have been in progress. It is understood that Chief Justice Chase will preside over the court. and that Attorney-General Speed will prosocute. The leading counsel for Davis are Charles O'Connor and Mr. Shea, of New York,

It is a duty which will save life. Our race are subject to a redundancy of vitiated bile at this season, and it is as dangerous as it is prevalent; but Brandreth's Pills afford an invaluable and efficient protection. To THE PUBLIC.—Having had occasion for the use of a Dentist, I called on Dr. Worrall, who has succeeded in preparing for me an excellent and serviceable set—upper and lower. They are upon what is called "rubber base," and fit my mouth firmly and comfortably, and are almost as much use to me as were my natural teeth. My mouth having become con-siderably deformed in consequence of having gone a number of years without any teeth on

one side of my jaw, but the Doctor remedied this defect, making the fit complete, whilst the working of the teeth are entirely satisfactory. I would cheerfully recommend any person in want of dental operations, to call on Dr. Worrall, having great confidence in his pro-fessions skill. GEO: REICH.
