### NEW SKIRT FOR 1866 1 The Gret Invention of the Age in

HOOP SKIRTS. J. W. BRADLEY'S New Patent Duplex Elliptic (or double)

Spring Skirt. Spring Skirt.

THIS Invention consists of Duplex (or two)
Elliptic pure refined steel springs, ingeniously
braided tightly and firmly together, edge to
edge, making the toughest, most flexible, elastic and durable spring ever used. They seldom bend or break, like the single springs,
and consequently preserve their perfect and and consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic skirt will be experienced particularly in all crowded Assemblies, Operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to oc cupy a small place as easily and conveniently as a silk or muslin

A lady having enjoyed the pleasure, comfort and great convenience of wearing the du-plex elliptic steel spring skirt for a single day will never afterwards willingly dispense with their use. For children, Misses, and young ladies they are superier to all others. The hoops are govered with 2 ply double twisted thread and will year twice as leave.

twisted thread and will wear twice as long as twisted thread and will wear twice as long as the single yarn covering which is used on all Single steel hoop skirts. The three bottom rods on every skirt are also double steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down starts at one stone for the rods which they

down stairs, stone steps, &c., &c., which they are constantly subject to when in usc.
All are made of the new and eegant corded tapes, and are the best quality inl every part giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most desimble, comfortable and economical Skirt ever made.

SEYMOUR THATCHER, M. D.,

of Herman, N. Y., writes as follows:—
"Wistar's Balsam of Wild Cherry gives "Wistar's Balsam of Wild Cherry gives universal satisfaction. It seems to cure a cough by loosening and cleansing the lungs, and allaying irritation, thus removing the cause, instead of drying up the cough and leaving the cause behind. I consider the Balsam as good as any, if not the best, Cough medicine with which I am acquainted."

The Rev. JACOB SECHLER, of Hanover, Pa. Well known and much respected among the

Well known and much respected among the German population in this country, makes the following statement for the benefit of

The amicted.

Dean Sirs:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cheray—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case made frequent use of your valuable medicine, and have al-ways been benefitted by it. JACOB SECHLER. PRICE ONE DOLLAR A BOTTLE.

### NOTICE.

THE REAL VALPAU FEMALE PILLS. [ WARRANTED FRENCH. ]

These Pills, so celebrated many years ago in Paris, for the relief of female irregularities, and afterwards so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. VALPAU, is a Physician in Paris of great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming female obstructions they seem to be truly omnipitent, bursting open the flood gates from whatever cause may have stopped them; but they are offered to the public only for legitimate uses, and all agents are forbid-den to sell them when it is understood that the object is unlawful. For sale by Dr. F. Hinkle, Marietta; P. A.

For sale by Dr. F. Hinkle, Marietta; P. A. Pyle, Mountjoy; H. D. Parry and R. Williams, Columbia, and druggists generally.

GRICULTURAL CHEMICAL COMPANY'S Cheap Fertilizers.

THE FERTILIZERS prepared by the Agricultural Chemical Company, [a company chartered by the legislature of Pennsylvania with a capital of \$250,000,] have been proved in practice to be the cheapest, most profitable and best, for the Farmer, Gardener and Fruit Grover of all concentrated many and Fruit Grower, of all concentrated ma-nures now offered in any market. The Com-pany's list embraces the following:

ABULETTE. This Fertilizer is composed of night soil and the fertilizing elements of urine combined, chemically and mechanically with other valuable fertilizing agents and ab-

sorbents.
It is reduced to a pulverized condition, ready for immediate use, and without loss of its highly nitregenous fertilizing properties.

Its universal application to all crops and soils, and its durability and active qualities, are well known to be all that agriculturists on disjunctions.

ore well known to be all that agriculturists can disire.

CHEMICAL COMPOST. This Fertilizer is largely composed of animal matter, such as meat, bone, fish, leather, hair and wool, together with chemicals and inorganic fertilizers, which decompose the mass, and re-tain the nitrogenous elements. It is a very valuable fertilizer for field crops

generally, and especially for potatoes and garden purposes.

Its excellent qualities, strength and cheapness, have made it very popular with all who have used it.

OMPOSITE FERTILIZER. This high-OMPOSITE FERTILIZER. This high—
Iy phosphatic fertilizer, is particularly
adapted for the cultivation of Trees, Fruits,
Lawns and Flowers. It will promote a
very vigorous and healthy growth of wood and
fruit, and largely increase the quantity and
perfect the maturity of the fruit. For hothouse and household plants and flowers, it
will be found an indispensable article to secure their greatest perfection. It will prevent
and cure diseased conditions of the peach and
grape, and is excellent for grass and lawns.
It is composed of such elements as make it
adapted to the growth of all kinds of crops in
all kinds of soils.

The formula or method of combining its
constituent fertilizing ingredients have re-

constituent fertilizing ingredients have received the highest approval of eminent chemists and scientific agriculturists.

PHOSPHATE OF LIME. The Agricultural Chemical Company manufacture a Phosphate of Lime in accordance with a new and reliable formula hy which a very sense. Phosphate of Lime in accordance with a new and valuable formula, by which a very superior article is produced, so far as to be afforded at a less price than other manufacturers charge. Practical tests have proved that its value, as a fertilizer, is equal to the best Phosphate of Lime in the market.

HEADLEY'S HISTORY OF THE GREAT REBELLION!

THE late rebellion stands out peculiar and extraordinary in human events; and the magnificent scale upon which the war has been conducted, constitute it one of the grand-est and most brilliant chapters of the world's

Mr. Headley, of all writers, is perhaps best qualified to portray the the stupendous feat-ures of the mighty contest. His previous works on less momentous themes have placed works on less nomentous themes have placed him in the first position, as a graphic and powerful deleniator of war scenes and characters, and the magnitude and grandeur of the present subject, impart to his pen the fire and vigor of a yet more exacted inspiration, and fur nish ample scope for the highest exhibition of his peculiar genius for military description. Under his powerful\*pen the stirring scenes of the War pass in review with the vividness and distinctness of a present and living reality: distinctness of a present and living reality; while his great talent for condensation enables him to embody everything of importance in a compass just suited to the public want. In a compass just sures to the puote want.

The monother source can so clear and comprehensive an impression of the grand march of events be obtained, so easily and agreeably as from Mr. Headley's work.

Other histories have been issued before

Grant's Report and other official documents were submitted to the government, and therefore unreliable. Wir, Headley has delayed the completion of this till those documents so essential to authenticity and correctness could

NOTHER GREAT CURE

IN THE CITY OF NEW YORK. Of a highly respectable citizen, well known

of a highly respectable citizen, well known to the Mercantile community, by DR. J. H. SC HENCK, DR. J. H. SC HENCK, ADELPHIA.

OFFICE N. Y. AND GALENA LLADCO, NO. 28 Nassau St., New York, June 1. 1955. iffteen years I have been troubled with a syear with more or less hemorhage, wheal years with more or less hemorhage, wheal thin in flesh and too weak to do business the kept is kind without suffering. In Agust is I have been the strength of good New York Fording to I was classed as beyond the reach of inclinate perty matters were concerned, to last saye and was advised to be prepared, so last saye and was advised to be prepared, so last saye and was advised to be prepared, so last saye as the proventies. The physician (and have afficiently matters were concerned, to last saye afficiently) said that the first cold I bear friends) said that the first cold I bear were cold, and fortunately was compiled and fortunately was compiled to your police. I think about the like of your your office. I think about the like of your pulmany I procured a bottle of your Pulman My feet and limbs were very much smoke, and all the symptoms of a speady death seed to accompany my cold. I sent termed to the physician and all the symptoms of a speady death seed to purpose and commenced taking it than the physician and all the symptoms of a speady death seed to accompany my cold. I sent the former provided the physician and all the p My feet and limbs were very much smallen and all the symptoms of a speady near smallen and all the symptoms of a speady near smallen and all the symptoms of a speady near smallen and to the smallen and stated to him for my was taking your medicine, and after showing them to him, and baving tasted of them they will do you no harm." He said: "You can take them if you ke they will do you no harm." He said: "You know what I told you last summer, and is the same now, if you have any business a close up, do not put it off." He said to only friends that he "could see no hope for my and my friends and relations concluded my time had come. At this time I was thing freely of your medicine, but had not early freely of your medicine, but had not seen to the doctor called a few times, and found as (much to his surprise, he said.) improving and he could not understand why. My my was increasing in your medicines, and I has was increasing in your medicines, and I has what you had to say. When you say say we have you examine my case, and we was increasing in your medicines, and hale was increasing in your medicines, and hale wish to have you examine my case, and what you had to say. When you first case what you had to say. When you first case to my room and made the examination, you gave me but little encouragement, but on the contrary, expressed sad doubts of my step heing helped out of my then seeming distained, the same of the same I ever expected a person could with one lug the left being completely dried up. I is very grateful to you, and consider yoursdrie and medicines invaluable.

Yours, truly, T. S SHELDON,

DR. SCHENCK-Dear Sir :- About two res ago I was taken with a very troublesse cough and a pain in my breast; seven of eight months passed away without my doing anything for myself. Then I applied to a physician, who attended me for about the months without rendering me any service. I also obtained the advice and treatment of physician in one of our hospatials; and also had the advice and treatment of two othersor sicians, but all to no purpose. During the long space of time I was nearly dead; see al times my friends came to see me and the ness my exitinte the spirit-world. I was an east my exitinte the spirit-world. I was an fined to my bed two months at one time. My breathing was exceedingly short. I gare to several times all hope of getting better; as as regarded getting well, that was entirely of the question. And to think this day I as well and hearty! I was advised by some different to the contract of Medicine. weit and hearty! I was advised by some any friends to try Dn. Schenck's Medicins. I accordingly bought bottle after bottle, and I reached the ninth; then I found a decide change in my cough for the better. I safetd severely from palpitation of the heart, and two weeks after. I commenced taking your medicite this difficulty council.

this difficulty ceased. this difficulty ceased.

When I first went to Dr. Schenck's office it was with difficulty that I could get up into it reception room, I was so weak and so swelled; my skin was assailow as though I had hejedico; I felt dult, heavy, and sleeples. It. Schenck, after examining me, said both wo lungs were affected, and gave me but tills. lungs were affected, and gave me on me to have those; but his medicines, in about two wels took right hold of me; it seemed to go not through my whole system. The Pulmons Syrup, Seaweed Tomic and Mandrak Pilis. all took right hold in the right place Is Pills brought away great quantities of bleas slime; the Syrup toosened the matter is at lungs, which came off very free; the Same

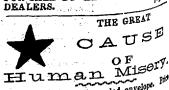

Tonic gave me an appetite, and everything seemed to taste good.

To show what great power the medicals are have in purifying my system, and to so how bad I was diseased, beside all the set that passed my bowels, and the great quastice of the set of t ties of phlegm and matter I expectoried, broke out all over in large boils, that we continue to gather and run for about weeks, and I had at one time over twenty boils. I have nothing of the kind now feel like another person altogether. safely say that I have not enjoyed such her for five years as I do now, and cannot pay you and your medicines enough. Mar 64 abundantly bless and preserve you! is its in core desire of our preserve you! cere desire of one who has been so worke y relieved through your agency; and if some desires to know with regard to the link fulness of this report, if they will call upon fulness of this report, if the will can be of my friends, or upon me, No. 4 Dryder pass, near Thompson street; below Coders with the validity of the case. Yours, will much respect, MARY SCHNID.

The above case, as described, is period; correct. I know it to be true. Yours, T. B. MILLER, Pastor of Hancock M. E. Church
