Alaybill, John 618Zeigler, Conrad We learn that information has a received from Mr. Slokom, chairhan of the county committee, that our legate election this evening is to be eld between the hours of 6 and 8 o'clock. This will set at rest the question wheth-Marietta comes under the township. b borough hours. This difficulty has innelly presented itself and we think a fulure the committee should say defibitely whether Marietta is considered a

Jorough, or the 17th election district. ieneral J. W. Fisher, of Columbia, a lad of about fourteen years of age, swam actions the Susquehanna, a few days ago. It was done on a wager. He started above the piers on the Wrightsville eide and arrived at the Water House below the piers on this side—over a mile and quarter in distance.

James White, a colored boy, abbed a young son of John Bastian, on anday evening last. The stab is said to be severe and a warrant is out for the of the voune vagabon d.

John C. Sullivan, of Philadelphia made complaint before Esquire Anxer against James Mullen for obtaining goods under false pretences. It appears Mullen went to the firm of Nolan, Norris & Co., and, with good recommendations, obtained an agency from the firm to sell goods by sample. A lot of samples and one hundred and fifty dollars in cash, were furnished him to start out with. He came as far as this borough, where he is well known, and got on a spree and spent all his money, after which he sold the samples, and then wrote the Philadelphia firm for more money, saying he was sick. The firm suspecting something wrong, sent Mr. Sullivan, who is a silent partner of the firm, to ascertain the facts; upon his arrival here he found Mullen as above stated and had him arrested and put under \$300 bail for his appearance at

Our town is greatly exercised now as to who is to be our new postmaster. Several long considered doubtful Republicans are said to have announced their partiality for "My Policy." A few evenings since, on passing up Front street, we observed a Copperhead snake painted on "Ornll's Row." with the words "Marietta is to have a " over the snake, and under the snake, the word 'postmaster." We do not clearly see the drift of the painter-does he intend to convey the idea that Crull is to be the Copperhead P. M. or not?

A delegate election will be held in the town hall school house, this (Saturday) evening, between 6 and 8 o'clock, to elect five delegates to represent this borough, in County Convention, to be held in Lancaster, on Wednesday next. See the call of the County Committee at the head of this column.

Matthew M. Strickler, of Columhis, and Dr. John Levergood, of Lancaster, are the delegates from this county to the Copper-Johnson convention to be held in Philadelphia on the 14th in-

Well known and much respected among the German population in this country, makes the following statement for the benefit of the amicted.

DEAR SIRS:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam or Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case made frequent use of your valuable medicine, and have always been benefitted by it. JACOB SECHLER. PRICE ONE DOLLAR A BOTTLE.
