Blue Mass, and other preparations of Merury, actually produce more suffering and death than the diseases which they profess to cure. And yet this corrosive mineral so denounced by the allopathic doctors, is prescribed by them almost universally in Liver Complaint, Consumption of Lungs, &c.

THE MANDRAKE PILLS are composed entirely of roots and herbs, obtained from the great storehouse of Nature, and their salutary effects will appear as soon as the medicine is brought to the test of a fair experiment, SCHENCK'S MANDRAKE PILLS do not produce at y nausea or sickness of the stomach; but when given for Dyspepsia, it may be proper to use them in connection with SCHENCK'S SEAWEED TONIC. By this judicious treatment the digestive faculties are speedily restored to their full vigor, and the worst cases of indigestion may be cured.

When we reflect that the liver is the largest internal organ of the body, that to it is assigned the important duty of filtering the blood and preparing the bile, that it is subject to many disorders, and that when it is diseased or inactive the whole body suffers sympathet. ically, it is not surprising that a medicine which can restore the healthy operations of the Liver should produce wonderful changes in the general health, and effect cures which may appear to be almost miraculous. Headache of long continuance, severe pains in the side, breast and shoulders, aching of the limbs, a feeling of general weakness and wretchedness, and other alarming and distressing sympto us, indicative of imperfect or disordered action of the liver, are speedily removed by the

use of SCHENCK'S MANDRAKE PILLS. Costiveness, piles, bitter or sour eructations, and that indescribable feeling of oppression mental anxiety, languor, lethargy. and de pression of spirits, which unfit a man for thet nanagement of business and the enjoyment of life, are all relieved by the use of SCHENCK'S MANDRAKE PILLS.

Dr. Schenck .- Dear ir: I take pleasure in sending you a certificate in addition to many you have already received from suffering humanity. I can scarcely find language sufficiently strong to express my heartfelt gratification of the wonderful cures your MANDRAKE PILLS and SEA WEED TONIG have effected in the entire cure of one of the most stubbors cases of the affection of the the most stubborn cases of the affection of the liver. For three years I suffered beyond de-scription; all my friends, as well as myself, came to the conclusion that my time in this life was short. Such was the terrible condi-tion to which I was reduced that life to me-had become a burthen; my whole system was in a state of inflammation; I could not eat, I could not sleep; my whole body was filled with pain; swelling would arise in my wrists and ankles, rendering them totally us-less. On several occasions I was attacked with a rush of blood to the head, which would fell me to the ground, and I would be carried away for dead. I applied to several eminent

away for dead. I applied to several eminent physicians of our city, who administered all the medicines that they thought would reach my case, but of no avail.

One of them said he could do no more for me, and advised me, as a last resort, to drink cod liver oil. Not relishing the horrid trash; declined to take it. Accident put your advertisement in my hands. I called on you; you examined me and told me the nature of my disease. You then ordered me the Pills and Tonic with an observance of diet, pledging your work that in one week I would find my Tonic with an observance of diet, pledging your word that in one week I would find myfelf another man. I followed your advice, and, as you predicted an actional. and, as you predicted, an astonishing cure was effected. I continued your Pills and Tonic for some time, and now thank God for his goodness, and your invaluable medicine, I am once more restored to perfect health. I most earnestly recommend those who are suffering from affection of the liver to give your Pills and Tonic a lair trial and a cave. your Pills and Tonic a lair trial, and a cure will be effected. I have sent many persons to you, and they have all been cured.
