SCHENCK'S MANDRAKE PILLS, FOR LIVER COMPLAINT. A SUBSTITUTE FOR CALOMEL.

If your bowels are costive, TRY THEM. If you have worms, TRY THEM. If your breath is bad, TRY THEM. If you feel drowsy, TRY THEM. If you are low spirited, TRY THEM. If you have a sick headache, TRY THEM. If you have taken a drop too much, TAKE A FULL DOSE. They only cost 25 cents a box.

Blue Mass, and other preparations of Mercury, actually produce more suffering and death than the diseases which they profess to cure. And yet this corrosive mineral so denounced by the allopathic doctors, is prescribed by them almost universally in Liver Complaint, Consumption of Lungs, &c.

THE MANDRAKE PILLS are composed entirely of roots and herbs, obtained from the great storehouse of Nature, and their salutary effects will appear as soon as the medicine is brought to the test of a fair experiment. SCHENCK'S MANDRAKE PILLS do not produce any nausea or sickness of the stomach; but when given by Dyspepsia, it may be proper to use them in connection with SCHENCK'S SEAWEED TONIC. By this judicious treatment the digestive faculties are speedily restored to their full vigor, and the worst cases of indigestion may be cured.

When we reflect that the liver is the largest internal organ of the body, that it is assigned the important duty of filtering the blood, and preparing the bile, that it is subject to many disorders, and that when it is diseased or inactive the whole body suffers sympathetically, it is not surprising that a medicine which can restore the healthy operations of the Liver should produce wonderful changes in the general health, and effect cures which may appear to be almost miraculous. Headache of long continuance, severe pains in the side, breast and shoulders, aching of the limbs, a feeling of general weakness and weariness, and other alarming and distressing symptoms, indicative of imperfect or diseased action of the liver, are speedily removed by the use of SCHENCK'S MANDRAKE PILLS.

Costiveness, piles, bitter or sour eructations, and that indescribable feeling of oppression, mental anxiety, languor, lethargy and depression of spirits, which unfit a man for the management of business and the enjoyment of life, are all relieved by the use of SCHENCK'S MANDRAKE PILLS.

Dr. SCHENCK.—Dear Sir: I take pleasure in sending you a certificate in addition to many you have already received from suffering humanity. I feel scarcely able to describe sufficiently strong to express my hearty gratification of the wonderful cure your MANDRAKE PILLS and SEAWEED TONIC have effected in the entire cure of one of the most stubborn cases of the affection of the liver. For three years I suffered from the complaint; all my friends, as well as myself, came to the conclusion that my time in this life was short. Such was the terrific condition to which I was reduced that life to me had become a burden; my whole system was in a state of inflammation; I could not eat, could not sleep; my whole body was filled with pain; swelling would arise in my arms and ankles, rendering them totally useless. On several occasions I was attacked with a rush of blood to the head; I would be carried down to the ground, and would not be able to get up for several days. I applied to several eminent physicians of our city, who administered all the medicines that they thought would reach my case, but to no avail.

One of them said he could do no more for me, and advised me, as a last resort, to drink cod liver oil. Notwithstanding the horrible taste, I decided to take it.
