## The Peruvian Syrup.

Is a protected solution of the  
PROTOXIDE OF IRON,  
a new discovery in medicine which  
strikes at the root of disease,  
by supplying the blood with its vital principle,  
or life element—IRON.

This is the secret of the wonderful success of  
curing this remedy in  
Dyspepsia, Liver Complaint, Dropsy, Chronic  
Diarrhea, Bile, Nervous Affections,  
Chills and Fevers, Humors, Loss of  
Constitutional Vigor, Diseases of  
The Kidneys and Bladder,  
Female Complaints,  
and all diseases originating in a bad state of  
Blood or accompanied by debility of a low  
state of the system.

Being free from Alcohol in any form, its  
energizing effects are not followed by corre-  
sponding reaction, but are permanent, in-  
creasing strength, vigor and new life into all parts  
of the system, and building up an Iron Con-  
stitution.

**DYSPEPSIA AND DEBILITY.**  
From the venerable ardeacon Scott, D. D.  
Dunham, Canada East, March 24, 1865.  
"I am an inveterate Dyspeptic of  
more than 25 years standing."

"I have been so wonderfully bene-  
fitted in the three short weeks during which I  
have used the Peruvian Syrup, that I can  
scarcely persuade myself of the reality."  
People who have known me are astonished  
at the change. I am widely known, and can  
but recommend to others that which has done  
so much for me."

A Case of 27 Years' Standing Cured.  
From Insley Jewett, No. 15 Avon place, Bos-  
ton.  
"I have suffered and sometimes severely,  
for 27 years, from Dyspepsia. I commenced  
taking the Peruvian Syrup, and found im-  
mediate benefit from it. In the course of three  
or four weeks I was entirely relieved from my  
sufferings, and have enjoyed uninterrupted  
health ever since."

An Eminent Divine of Boston says:  
"I have been using the Peruvian Syrup for  
some time past; it gives me new vigor, buoy-  
ancy of spirits, elasticity of muscles."  
Thousands have been changed by the use of  
this remedy; from weak, sickly, suffering crea-  
tures, to strong, healthy, and happy men and  
women; and invalids cannot reasonably hesi-  
tate to give it a trial.

ficates of cures and recommendations from

men, and others, will be sent FREE to any ad-

unfailing relief in all cases of Cough, cold,

The Rev. JACOB SCHLECHER, of Hanover, Pa.  
Well known and much respected among the  
German population in this country, makes  
the following statement for the benefit of  
the afflicted.

DEAR SIR:—Having realized in my family  
important benefits from the use of your val-  
uable preparation—WISTAR'S BALSAM OF  
WILD CHERRY—it affords me pleasure to re-  
commend it to the public. Some eight years  
ago one of my daughters seemed to be in a  
decline, and little hopes of her recovery were  
entertained. I then procured a bottle of your  
excellent Balsam, and before she had taken  
the whole of the contents of the bottle there  
was a great improvement in her health. I  
have, in my individual case made frequent  
use of your valuable medicine, and have al-  
ways been benefited by it. JACOB SCHLECHER.

[WARRANTED FRENCH.]

These Pills, so celebrated many years ago  
in Paris, for the relief of female irregularities,  
and afterwards so notorious for their criminal  
employment in the practice of abortion, are  
now offered for sale for the first time in Amer-  
ica. They have been kept in comparative ob-  
scure from the fact that the originator, Dr.  
VALPAU, is a Physician in Paris, of great  
wealth and strict conscientious principles, and  
has withheld them from general sale, lest they  
should be employed for unlawful purposes.

In overcoming female obstructions they seem  
to be truly omnipotent, bursting open the flood  
gates from whatever cause may have stopped  
them, and they are offered to the public only  
for legitimate uses, and all agents are forbid-

## CONSUMPTIVES.

READ WHAT DR. SCHENCK IS DOING.

DR. J. H. SCHENCK.

DEAR SIR:—I feel it a duty I owe to you,  
and to all who are suffering under the diseases  
known as Consumption and Emphysema,  
to let them know what great benefits I  
have received from your Pulmonic Syrup and  
Seaweed Tonic in so short a time. By the bless-  
ing of God it has cured me thus far.

Dr. Schenck, I will now make my state-  
ment to you as follows:—About eighteen  
months ago I was attacked with a severe  
cough, and it settled on my lungs; I could  
not retain anything I ate, and suffered with  
evening fevers and night sweats. I was very  
much reduced. The whites of my eyes were  
very yellow; likewise my skin; my appetite  
all gone, and unable to digest what I did eat;  
bowels swollen, irregular and costive. I was  
very low spirited, and had such violent spells  
of coughing, that I was at night, and when  
I awoke in the morning that they would  
last one or two hours.

I then would be nearly exhausted, and was  
entirely unable to lie on my left side. I can-  
not describe my wretched suffering as I would  
wish every one to know what I have experi-  
enced or deranged. Such was my situation at  
this time, and I was confined to my bed from  
the last of February, 1862, to June 1862, not  
able to sit up. I had the best of medical at-  
tention, but the cough continued, and I was  
so very bad that it racked me very much.

I at this time raised a large quantity of thick,  
yellow, offensive matter, sometimes with blood,  
and a full sized blood clot, night after night,  
and coughing so badly I had to have sharp  
shootings pains in my left side and heart,  
night sweats, and soreness all through my  
whole chest; had much inward fever, pain in  
my back and under my shoulder blades and in  
the arm and at times as if my lungs were  
that it would throw me into spasms. Now  
my physician gave me up to die. Others had,  
and the best of them, but they could do noth-  
ing for me, and at that time I was nothing  
but skin and bone. In June I was left there  
for the last, and in August last we came to  
New York, and I was so reduced that I could  
only walk a little with my husband's help.

After I had been here a short time the salu-  
tary effects of your medicine began to be  
felt, and I began to gain my strength, and  
time and time I had again to call a physician  
for aid. We had four of the best physicians  
of New York on the diseases of the lungs, and  
doctors of all kinds, but of no avail. They  
said my case was hopeless, and that my lungs  
were too far gone for any one to cure me. But  
at this time I was on my feet about the house,  
not able to do much of anything. In November  
last I grew worse, and the consumption  
died in and I was laid up again. We had  
tried all and everything that I could  
grasp at like a dying person for my disease—  
consumption and liver complaint—but of no  
avail.

In January, 1863, I was brought down  
again to my bed, and not expected to  
live the night out. My husband stayed at my  
side, and other friends, and they all gave me  
up to die. At this time every one who saw  
me did not think I would ever leave my bed  
a living woman. The first night I was at-  
tacked with spasms, and was deranged most  
of the time. A friend, Mrs. Harris, came to  
see me the last of the week, and brought the  
Sunday Mercury. In it was an account of a  
greatest cure performed by Dr. Schenck. She  
read it to me, and it was so much like my  
disease that I asked my husband to go and  
see him for me. At this time I had given up  
all hopes of ever getting well again, and made  
my peace with God, to be ready whenever he  
called for me.

On the 27th of January, 1863, my husband  
called on Dr. Schenck, 32 Bond street, New  
York, and stated to him my case, with a re-  
quest that he would call on me, and see what  
he could do for me. He examined me with the res-  
pectful care, and he said to me, "When he  
was about to go I asked him if he could  
cure me? His reply was: 'I cannot  
tell, but lungs are diseased, and the bronchi-  
al tubes are affected on both sides.' And yet  
he seemed very confident that he could cure  
me. He said in order to do this, he would  
have to give me Mandrake Pills in small  
doses at first, to carry off the morbid matter,  
and then, with assisting, he hoped to cure  
it, which he did, but the constant coughing,  
night sweats, and diarrhea had prostrated me  
so that he was afraid my vital powers were  
too much prostrated ever to rally, and yet he  
seemed to think if I could live, get enough  
of your Syrup through my system to cause  
expectoration there were lungs enough left  
for me to recover. He wished me to try the  
Pulmonic Syrup and Seaweed Tonic at once,  
saying it would do me no harm, if I did not  
get well, he would be glad to refund the  
money. I began to gain my strength, and  
strength, so that on Sunday after I sat up  
in bed and ate hearty for a sick woman; but  
the next week I lost all hope and wished my  
husband not to give me any more medicine,  
as he would be cured, and I would be cured  
when the medicine was clearing out the sys-  
tem it made them feel somewhat restless, and  
to persevere; and he insisted on my taking  
it; and now I feel the benefit of it.
