

THE PERUVIAN SYRUP.

Is a protected solution of the PROTOXIDE OF IRON, a new discovery in medicine which strikes at the root of disease.

By supplying the blood with its vital principle, or life element.—It is the secret of the wonderful success of curing this remedy in Dyspepsia, Liver Complaint, Dropsy, Chronic Catarrhs, Hoarseness, Nervous Affections, Chills and Fevers, Hemorrhages, Loss of Constitution, Faintness, Anemia, etc. The Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of Blood or accompanied by debility of a low state of the system.

Being free from Alcohol in any form, its energizing effects are not followed by corresponding reaction, but are permanent, insuring strength, vigor and new life into all parts of the system, and building up an Iron Constitution.

DYSPEPSIA AND DEBILITY. From the venerable archedeacon Scott, D. D. Dunsmuir, Canada East, March 24, 1866.

"I am an inveterate Dyspeptic of more than 25 years standing." "I have been so wonderfully benefited in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality.—People who have known me are astonished at the change. I am widely known, and can but recommend to others that which has done so much for me."

A Case of 27 Years' Standing Cured. From Insley Jewett, No. 15 Avon place, Boston.

"I have suffered and sometimes severely, for 27 years, from Dyspepsia. I commenced taking the Peruvian Syrup, and found immediate benefit from it. In the course of three or four weeks I was entirely relieved from my sufferings, and have enjoyed uninterrupted health ever since."

An Eminent Divine of Boston says: "I have been using the Peruvian Syrup for some time past; it gives me new vigor, buoyancy of spirits, elasticity of muscle."

Thousands have been changed by the use of this remedy; from weak, sickly, suffering creatures to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

A pamphlet of 32 pages, containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen, and others, will be sent FREE to any address.

I consider the Balsam as good as any, if not better, Cough medicine with which an acquaintance. The Rev. JACOB SEHLER, of Hanover, Pa. THE REAL VALPAU FEMALE PILLS! [WARRANTED FRENCH.]

These Pills, so celebrated many years ago in Paris, for the relief of female irregularities, and afterwards so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in perfect secrecy from the fact that the originator, Dr. VALPAU, is a Physician in Paris of great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming these objections they seem to be truly omnipotent, bursting open the flood gates from whatever cause may have stopped them; but they are offered to the public only in legitimate uses, and all agents are forbidden to sell them, when it is understood that the object is unlawful.

For sale by Dr. F. Hinkle, Marietta; P. A. Pyle, Mounjoy; H. D. Parry and R. Williams, Columbia, and druggists generally.

Ladies can procure a box, sealed from the eyes of the curious, by enclosing \$1 and six postage stamps to O. G. STAPLES, General Agent for us, Watertown, New York, or to any of the above agents. [no. 25-ly]

WANTED! \$27.60 PER DAY!! Agents wanted, ladies and gentlemen, in every county in the United States, to sell the INK POWDERS of the American Ink Company. The powder sells for forty cents per package, and will make ink enough to fill fifty bottles of the size usually retailed at ten cents per bottle. A smart agent can sell a gross of it a day, and clear \$27.60. The ink can be made from the powder in three minutes in common boiling water. It is a perfect black ink, the best in the world. It flows easily, does not corrode the pen a particle, never gums up, is not injured by freezing, and its color will last forever. Every family in America will buy it, as a package will last a family for years, and ink can be made in small quantities as wanted. With each gross we send a thousand circulars, with testimonials from city-men, lawyers, teachers, merchants, commercial colleges, editors, &c., and the agent's name on the bills. Only one person will be made agent for a county. The first one sending \$30 for a gross of the powder will receive it by return express, together with a thousand circulars and the right to sell in the county he or she designates. If others send for the same county, the money will be returned to them free of expense. To make sure, one had better designate several counties, and the one where he or she will take a trade list and circulars if you dare run the risk of waiting, or send the money for a gross. Letters addressed to the Mayor, Postmaster, cashiers of the banks, or the express agents of this city, will show that the business is honorably and squarely conducted. An Ink Powder will be sent by mail to any address, free of charge, on receipt of forty cents.
