DR. J. H. SCHENCH. DEAR STRI--I feel it a duty I owe to you, not to all who are suffering under the diseases known as Consumption and Liver Complaint, to let them know what great-benefits 1 have received from-your-Pulmonic Syrup and Sea-werd Tonic in so short a time. By the bless-the of God it has cured me thus far. Dr. Schenck, I. will now make my, state-ment to you, as follows :-- About, eighteen

ment to you, as follows: - About eighteen monthisago I. was attacked with a severe cough, and it settled on my lungs I could not retain any thing I ate, and suffered with not retain any thing I, ate, and suffered with evening fevers and night sweats. I was very much reduced. The whites of my eyes, were very, yellow; likewise my skin; my, appetite all gone, and unable to digest what, idid(sat; bowels avollen, irregular, and coalive.) I was; very low spirited, and had, such violent spells of coughing when I hay, down, at might, and when I arose in the morning that they would last one or two hours.

last one of two hours. I then would be nearly exhausted, and we I then would be nearly exhausted, and was entirely unable to lie on my left side. "I can-not describe my wretched suffering as I would wish to do." Every organ in my body was dis-ensed or deranged. Such was my situation at this time, and I was confined to my bed from the last of February, 1862; to Juife 1862; not able to sit up. I had the best of medical at-tendance the whole of the time. My cough was so very bad that it racked me very much. I at this time tailsed a large quantity of thick, yellow, offensive mistrer, sometimes with blood and it was generally accompanied by nauses, and a furred and thick costed tongue. At the time of coughing so badly I would have sharp, shooting pains in my left side and Leart, night aweats, and soreness all through my whole chest; had much inward fever, pain in my back and under my shoulder blades and in the sme!! of my back, and at times so severe my back and under my shoulder blades and in the small of my back, and at times so severe that it would throw me into spasms. Now my physician gave me up to die: Others I had, and the best of them, but they could do noth-ing forme, and at that time I was nothing but skin and bone. I then was in the western part of Missouri. In June last we left there for the East, and in August last we came to New York, and I was so reduced that f could only walk a little with my husband's help. New York, and I was so reduced that I could only walk a little with my husband's help. Atter I had been here a short time the sait wa-ter breeze made me feel much better for a time and then I had again to call a physician for aid. We bad four of the best physiciaus of New York on the diseases of the langs, and doctors of all kinds, but of no ayal. They said I was past cure; and that my Jungs were too for some for any one to zone for BOT at sing I was past core; and that my jungs were too, far gone for any one to cure me. But at this time, I was on my, feet about the house, not able to do much of anything. In Novem-ber last (igrew worse, and the consumption diarrhea set in and lasted about eight weeks. We had tried all and everything that I could gran at like a dwing person for my disease. grasp at like a dying person for my disease consumption and liver complaint-but of no

In January, 1863, I was brought down In January, 1863, I was brought down again on my bed, and was not expected to live the night out. My husband stayed at my side, and other friends, and they all gave me up to die. At this time every one who saw me did not think I would ever leave my bed a living woman. The first night I was at-tacked with spasms, and was deranged most of the time. A friend, Mrs. Harris, came to see me the last of the week, and, brought the Sunday Mercury. In it was an account of a great cure, performed by Dr. Schenck. She read it to me, and it was so much like my disease that I asked my husband, to go and disease that J asked my husband, to go and see him for me. At this time I had given up all hopes of ever getting well again, and made my peace with God, to be ready whenever he called for me.

my peace with out, to be leady whenever he called for me. On the 27th of January, 1865, my husband called on Dr. Schenck, 32 Bond street, New. York, and stated to him my case, with a re-quest for him to call and see me, which he did, and examined me with the respirometer. When he was about to go 1 asked him if he could cure me? His reply was: "I cannot tell, both lungs are diseased, and the bronchi-al, tubes are affected on both sides." And yet he seamed to think there were lungs enough left to effect a cir; if the diarnhea could be stopped. He said in order to do this, he would left to effect a cirs if the diarrhea could be stopped. He said in order to do this, he would have to give me Mandrake Pills in small deseas at first, to carry off the morbid matter, and then, with astringents, he hoped to check it, which he did, but the constant coughing, night sweats, and diarrhea had prostrated me so that he wasafraid my vital powers were the prostrated area to rally and yet he too much prostrated ever to rally, and yet he seemed to think if I could live to get enough Pulmonic Syrup through my system to cause expectoration there were lungs enough left for me to recover. He wished me to try the Pulmonic Syrup and Seaweed Tonic at once, saying it would do me no harm, if it did me Twilights, Braids and saying it would do me no harm, if it did me no good. The first week it seemed to give me strength, so that on Sunday after I sat up in bed and sate hearty for a sick, woman's but the next week I lost all hope and wished my husband not to give me any more medicine. Du the doctor had warned him of this, and when the medicine was clearing out the sys-tem it made them, feel somewhat restless, and to persevere; and he insisted on my taking it; and now. I feel the benefit of it. For after eight days Lbegan to gain my strength, and eight days. I began to gain my strength, with the exception of a cold that put me some, I have been gaining strength of body, my cough is going away, and all my pains ar, gone; no somess of the body, my bowels are regular, and my breath is sweet, and I thank God that I am now going about, and sew and read as well as ever I could. I have taken sixteen bottles of the medicine, eight of each. I now have a good appetite and rest well at night; my cough does not trouble me in gett-ing up or lying down. I would here say to the afficted with consumption or liver com-plaint, that Dr. Schenck is no humbug You can rely on what he says. Delay not; it is dangerous to trifle with these diseases; if you would be cured, go at once; and any ose wishing to know the facts as herein stated can call at my residence, 117 West Houston street, New York city. MRS. MARY F. FARLOW. We, the undersigned, residents of New York are acquainted with Mrs. Farlow, and know her statement to be true: We also know that she used Dr. Schenck's Pulmonic, Syrup and Seaweed Tonic, and have reason to believe that to this medicine she owes her preservation itom a premating Grave. from a premature grave.
