A Humsuc.-How often we hear this expression from persons reading advertisements of Patent Medicines, and in nine cases out of en they may be right. It is over 19 years since I introduced my medicine, the Venetian Liniment to the public. I had no money to advertise it, so I left it for sale with a few druggists and storekeepers through a small section of country, many taking at with great reluctance; but I told them to let any one have it, and if it did not do all I stated on my pamphlet, no one need pay for it. In some stores two or three bottles were taken on trial by persons present. I was, by many, thought orazy, and that would be the last they would see of me. But I knew my medicine was no humbug. In about two months I began to receive orders for more Liniment, some calling it my valuable Liniment, who had refused to sign a receipt when I left it at their store. Now my sales are millions of bottles yearly, and all for cash. I warrant it superior to any other medicine for the cure of Croup, Diarrhea, Dysentery, Colic, Vomiting, Spasms, and Sea sickenness, as an internal remedy. It is perfectly innocent to take internally, see oath accompanying each bottle,-and externally, for Chronic Rheumatism, Headache, Mumps, Frosted Feet, Bruises, Sprain, Old Sores, Swellings, Sore Throats, &c., &c. Sold by all the Druggists. Depot 56 Cortland street, New

PITTSBURGH, MAY 10th, 1866.

Messrs. Hostetter & Smith: GENTLEMEN :- During a visit to the West, last fall. I contracted chills and fever, which brought me to my bed, and finally terminated in typhoid fever, and confined me to my room for several months, during which time I was physically so prostrated that I almost despaired of ever recovering my health; having almost entirely lost my appetite for days, not being able to eat a morsel, added to which I was distressed with a reeling sensation in my head, and passed many sleepless nights-all from debility caused by my prostrate condition, brought about by fever. At this stage of my condition a friend recommended me to use your celebrated Stomach Bitters, but being morally opposed to the use of stimulants in any form, I at first declined, but afterwards will continue the publication under yielded my prejudices, and, after taking the medicine for several weeks, my appetite returned, and with it I am rapidly regaining my former strength and vigor. My sleep (from the loss of which I have suffered much) has never been better than it is now, and the reeling sensation (before alluded to) has entirely left me. My bowels which were much constipated and irregular, are new quite natural, and, in fact, I am glad to say that I feel myself a new man, and tender you this testimonial of my appreciation of your valuable preparation in order that others, suffering as I have, may avail themselves of its virtues, which prejudice kept me from enjoying for so long a period. I may also add that my physician, after seeing the beneficial effect of your Bitters on me, recommended that I use them regularly. Yours, very respectfully,

SCHENCK'S SEAWEED TONIC. This medicine invented by Dr. J. H. Schenck, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing the stomach with Schenck's Mandrake Pills, the tonic soon restores the appetite, and food that could not be eaten be-

fore using it will be easily digested. Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS Will cure any ordinary case of dyspepsia.

Dr. Schenck makes professional visits in New York, Boston, and at his principal office in Philadelphia every week. See daily papers of each place, or his pamphlet on consumption for his days for visitation.

REDUCTION IN PRICE

OF THE  $American\ Watches,$ Made at WALTHAM, Mass.

In consequence of the recent great improvements in our facilities for manufacturing we have reduced our prices to as low a point as they can be placed WITH GOLD AT PAR, 80 that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of more than

200,000 WATCHES, has given our productions the very highest rank among time keepers. Commencing with the determination to make only thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover three acres of ground, and give accommodation to more than 800 men.

We are fully justified in saving that we now make more than one-half of all the Watches sold in the United States. The different grades are distinguished by the following trade marks on the plate:

1 .-- "American Watch Co." Waltham, Mass. 2 .- "Appleton, Tracy & Co." Waltham, Mass. 3 .- "P. S. Bartlett," Waltham, Mass.

4 .- " Wm. Ellery." 5 .- OUR LADIES' WATCH of first quality is named "Appleton, Tracy & Co," Waltham. Massachusetts.

6.—Our next quality of Ladies' Watch is named " P. S. Bartlett," Waltham, Mass. These watches are furnished in a great varicty of sizes and styles of cases.

The American Watch Co., of Waltham, Mass., authorize us to state that without distinction of trade-marks or price, All the products of their factory are fully war-

ranted. to be the best time keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarrantee of a foreign maker who can never be reached. this guarantee is good at all times against the company or their agents, and if, after the most thorough trial, any watch should prove defective in any particular, it may be always be exchanged for another. As the American Watches made at Waltham, are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

CAUTION .- The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be prosecuted.
