DR. SCHENCK'S PULMONIC SYRUP. This great medicine cured Dr. J. H. Schenck, the proprietor of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery, he has devoted his attention exclusively to the cure of Consumption and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. Schenck makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months, healthy, robust persons. Dr. Schenck's Pulmonic Syrup, Sea weed Tonic and Mandrake Pills are generally all required in curing Consumption. Full directions accompany each, so that any one can take them without seeing Dr. Schenck, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollars.

Please observe, when purchasing, that the two likenesses of the Doctor-one when in the last stage of Consumption, and the other as he now is, in perfect health-arc on the Govern-

ment stamp. Sold by all druggists and dealers. Price bidead of \$2.50 per share, which is \$1.50 per bottle, or \$7.50 the half dozen. Letters for advice should always be directed to Dr. Schenck's Principal Office, No. 15 North

Reduction in price of the $American \ Watches.$ Made at WALTHAM, Mass.

In consequence of the recent great improvements in our facilities for manufacturing we have reduced our prices to as low a point as they can be placed WITH GOLD AT PAR, 80 that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of more than

200,000 WATCHES. has given our productions the very highest rank among time keepers. Commencing with the determination to make only thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover three acres of ground, and give accommodation to more than 800 men.

We are fully justified in saying that we now make more than one-half of all the Watches sold in the United States. The different grades are distinguished by the following trade marks on the plate:

1 .- "American Watch Co." Waltham, Mass. 2.-"Appleton, Tracy & Co." Waltham, Mass. 3 .- " P. S. Bartlett," Waltham, Mass. 4 .-- "Wm. Ellery."

5.—OUR LADIES' WATCH of first quality is named "Appleton, Tracy & Co." Waitham, Massachusetts. 6.—Our next quality of Ladies' Watch is na-

med " P. S. Bartlett," Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases. The American Watch Co., of Waltham,

Mass., authorize us to state that without distinction of trade-marks or price, All the products of their factory are fully war-

ranted. to be the best time keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarrantee of a foreign maker who can never be reached, this guarantee is good at all times against the company or their agents, and if, after the most thorough trial, any watch should prove defective in any particular, it may be always be exchanged for another. As the American Watches made at Waltham, are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

CAUTION .- The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be prosecuted. Robbins & Appleton,
