

The Local Mariettian.

Saturday Morning, December 15, 1886.

The Morning Passenger train for Lancaster and Philadelphia will leave the upper station at 12 minutes after 8 o'clock.

In our last week's issue we neglected to notice the enlargement of the Chester Valley Union, published by Kaufman & Brooke, at Coatesville, Chester county.

Professor G. C. Hinman, the well known Author and Teacher of Commercial, Actual Business, and Ornamental Writing, comes among us for the purpose of establishing an institution in which these and other important branches of business education will be taught.

Godey for January is at hand. The old favorite is still unapproached. The number is beautifully embellished, being fifty-four engravings.

Dr. W. H. Boone, formerly of this county, has purchased the handsome residence of the late Dr. Robert H. Boone, in the village of Bainbridge, and moved thereto, and will continue the practice of medicine.

The O. P. F. has been on a visit recently to Philadelphia, the Age of that city, thus chronicling his arrival in the Quaker city.

The Borough Council met on the evening of the 10th inst. and appointed the following gentlemen to represent this Borough at the meeting in Columbia, with regard to the erection of the Columbia Bridge.

Persons who are getting up clubs for these Steel Plate Engravings, and those who intend doing so, are requested to notify the office in New York, when a circular describing each Engraving, (sent in all) together with all necessary papers, including references, &c., will be sent them.

Our young friend Spangler has been a post-see his Acrotic advertisement on Christmas holiday goods. He stores very tastefully and arranged a neat show case outside to expose his reasonable wares.

The Mrs. Surratt dwelling, in Washington City, was drawn at the recent National Soldiers' Gift Distribution, by Mr. Israel Witmer, of New Holland, in this county, who has been on to see it, and has leased it to parties there.

Henry D. Foster, a loofoofoe Executive for Governor of this State, and Israel Painter, an ex-Canal Commissioner, spent a few days last week in Lancaster.

The Norris Lancaster Locomotive works have a contract to build for the Pennsylvania Railroad Company, twenty-five locomotive engines.

Printed and for sale at this office "Notions to Quit," the usual New Year's gift of Landlord to Tenant; also Bank Leases.

Dr. Minkle offers his fine residence and drug store at private sale. The property is centrally located and very desirable.

Alfred Sanderson, formerly of the Lancaster Intelligencer, has become connected with the Reading Gazette.

On Thursday morning the Susquehanna was literally full of floating ice, the first time this season.

A slight snow fell yesterday (Friday) morning—the first of the season. The canal is also from New York.

The Nixon-Keeley warranted genuine.

Special Notices

DR. SCHENCK'S PULMONIC SYRUP. This great medicine cured Dr. J. H. Schenck, the proprietor of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable.

Since his recovery, he has devoted his attention exclusively to the cure of Consumption and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful.

HABITUAL CONSTIPATION. How to effect a certain and permanent cure. Some occupations of life predispose to Constipation, especially those which allow but little exercise.

AMERICAN ARTISTS' UNION!

AMERICAN ARTISTS UNION!!! AMERICAN ARTISTS UNION!!!

The American Artists' Union [established 1854] announce that in order to extend the sale of the following well-known and highly Popular Steel Plate ENGRAVINGS: Departure of the Pilgrim Fathers, 27x36 in.

The escape of Alister McDonald, 26x34 in. The Madonna, 26x34 in. They have deemed expedient to offer them to their friends and the public, at ONE DOLLAR AND FIFTY CENTS each, the price heretofore having been \$2 each, and for the purpose of stimulating the getting up of clubs, they have determined to award premiums to the getters up of the clubs, and in addition thereto to distribute amongst the subscribers the sum of FIFTY THOUSAND DOLLARS.

in money and paintings, as soon as the sale shall have reached 100,000 engravings. As it is our intention to advertise very extensively, and as the engravings are very well known throughout the whole country, we have no doubt that with the low price we charge for them and with the exertion which will be set forth by our numerous friends, the number will be reached in a very short time.

CLUB RATES. Single Engraving \$1.50 each—by mail, free. For \$15 we will send 13 Eng. and 2 to the Club Agent.

For \$20 we will send 15 Eng. and 1 to the Club Agent. For \$25 we will send 20 Eng. and 5 to the Club Agent.

C. O. D. ORDERS.—Persons wishing to send for Engravings and pay the Express Co. when they are received, will be required to send with their order \$2 to \$5, according to its amount, and this will be credited on their bill. LIST OF PRIZES TO BE DISTRIBUTED.

One hundred elegant Oil Paintings, richly framed, Landscape, at \$100 each, 10,000
Two hundred elegant Oil Paintings, richly framed, Interior Views, at \$50 each, 10,000

The American Artists' Union would announce that these premiums are to be considered only in the light of a free gift to their patrons, as the engravings are furnished them below their market value, and as the cost of engravings, plates and paper are so very trifling, they can easily afford to make the distribution as it is.

We trust that our numerous friends throughout the country and Canada will use their utmost exertions, so that if possible, the distribution may be made soon, and it can be done if they are at all active. Ladies have often made excellent Club Agents for us, and we solicit their kind efforts, which will not go unrewarded.

Let one or more energetic persons in every town and village in the country commence as soon as they see this, and get up as large a club as possible. By so doing they will be the means of introducing elegant engravings into families, and thus aid in cultivating a taste for the beautiful and refined.
