WANTED! \$27.50 PER DAY!! Agents wanted, ladies and gentlemen, in every county in the United States, to sell the INK POWDERS of the American Ink Company. The powder sells for forty cents per bottle, and will make ink enough to fill fifty bottles of the size usually retailed at ten cents per bottle. A smart agent can sell a gross of it a day, and clear \$27.50. The ink can be made from the powder in three minutes in common boiling water. It is a perfect black ink, the best in the world. It flows easily, does not corrode the pen a particle, never gums up, is not injured by freezing, and its color will last forever. Every family in America will buy it, as a package will last a family for years, and ink can be made in small quantities as wanted. With such gross we send a thousand circulars, with testimonials from clergymen, lawyers, teachers, merchants, commercial colleges, editors, &c., and the agents name on the bill. Only one person will be made agent for a county. The first one sending \$30 for a gross of the powder will receive it by return express, together with one thousand circulars and the right to sell in that county, or else designate. If others send for the same money, the money will be returned to them free of expense. To make sure, one had better designate several counties, either of which he or she will take. Send for trade list and circulars if you dare run the risk of agents, or send the money for a gross. Letters addressed to the Mayor, Postmaster, cashiers of the banks, or the express agents of this city, will show that the business is honorable and squarely conducted. An Ink Powder will be sent by mail to any address, free of charge, on receipt of forty cents. Address, writing your name, town, county and State distinctly, AMERICAN INK Co., Manchester, N. H.
