TO OWNERS OF HORSES AND CATTLE .-Tobias' Derby Condition Powders are warranted superior to any others, or no pay, for the cure of Distemper, Worms, Bots, Coughs, Hidebound, Colds, &c., in Horses; and Coughs, Colds, Loss of Milk, Black Tongue, Horn Distemper, &c., in Cattle. These Powders were formerly put up by Simpson I. Tobias, son of Dr. Tobias, and, since his death, the demand has been so great for them, that Dr. Tobias has continued to manufacture them .----They are perfectly safe and innocent ; no need of stopping the working of your animals .---They increase the appetite, give a fine coat, eleanse the stomach and urinary organs; also increase the milk of cows. Try them, and you will never be without them. Hiram Woodruff, the traiser, of trotting borses, has used them for years and recommends them to his friends. Col. Philo. P. Bush, of the "Jerome Race Course," Fordham, N. Y., would not use them until he was told of what they are composed, since which he is never without them. He has over 20 running horses in his charge, and for the last three years has used no other medicine for them. He has kindly permitted me to refer any one to him, Over 1000 other references can be seen at the depot.
