LIQUID CATARRH REMEDY!

SYMPTOMS. The symptoms of Catarrh are at first very slight. Persons find that they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or a slight discharge, thin and acrid, afterwards thick and adhesive, may ensue.

As the disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice thick and nasal; the eyes are veak; the sense of smell is lesseled or destroyed; deafness fre-

of smell is lessened or destroyed; destries frequently takes place.

Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a stick or simy mucous, which has fallen from the head during the night. When this takes place, the person may be sure that his disease is on its twent to be lessen and should less no time in vay to the lungs, and should lose no time in

arresting it.

The above are but few of the many Catarrh al symptoms. Write to our Laboratory for our phemphiet describing fully all symptoms: it will be seat FREE to any address. Also directions where to procure the medicine. We are receiving letters from all parts of the Union, and also numerous testimonials from those using it, bearing the evidence of

its infaitible merits. To the time the remedy contains no MINERAL or POISONOUS INCHEDIENTS, but is prepared from vegetable extracts EXCLUSIVELY; therefore it is PERFECTLY HARM-LESS, even to the most tender and celicate

child. 4518 CALL FOR SEELYE'S CATARRH REM-
