have another illustration of that saying: 'Death loves a shining mark.? He was very suddenly taken away ; having sickened and died within a week.

His death has made a sad breach in the hurch, the family, the Bible class and school, of each of which he was so consistent and faithful a member.

His teacher testifies that " he never made an excuse; for he never failed in his duty." His parents tell us: " he never disobeyed them." but was uniformly kind, affectionate and prompt.

His pastors add their testimony to his "walk and conversation," as "becoming the Gospel of Jesus," which he first professed, one year ago, in Columbia, under the ministry of Rev. R. A. Brown; afterwards, by certificate, uniting with the Presbyterian church of Marietta "He seemed fitted," sail one, "both by nature and grace, for some high mission."

SCHENCK'S SEAWEED TONIC. This medi- AND MEMORABLE PLACES OF THE cine invented by Dr. J. H. Schenck, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing the stomach with Schenck's Mandrake Pills, the tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspensia.

Dr. Schenck makes professional visits in New York, Boston, and at his principal office in Philadelphia every week. See daily papers of each place, or his pamphlet on consumption for his days for visitation.

Please observe, when purchasing, that the wo likennesses of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are on the Gov-

ernment stamp. Sold by all druggists and dealers, price \$1.50 per bottle or \$7.50 the half dozen. All letters for advice should be addressed to DR.

For the many distressing feelings which usher in and often follow the period of maternity, and also for the painful and anogerous symptoms which sometimes accomany "change of life," Hostetter's Bitters are earnestly recommended. No other restorstive seems to suit so well the constitutions and the organization of the feebler sex.
